VOL. LXXXIII. NUMBER 42

## Toft, Cunningham Vie Again For Mayor Post

Members of the administrative and guidance staff of Antioch High School, attended a special "Guidance Recognition Conference" March 28 in Des Plaines and were presented with a certificate in recognition of the school's continued maintenance and improvement of guidance services available to all students. Dr. Robert Zeller, assistant state superintendent of schools, Division of Pupil Services, from left, presents the certificate to Edward L. Kurek, guidance director, and Warren P. Polley, assistant superintendent.

## L.C. Zoning Board Hears Motel Plans

Plans for an 80 unit motel to be operated by the Dutch Inns of America Franchise on Rte. 59 just north of Grass Lake Rd. were unfolded at a Lake County Zoning Board of Appeals hearing Monday.

A three building complex which would include guest rooms, a restaurant, lounge, banquet rooms, indoor and outdoor swim-

ming pools, and health club facilities, is planned for the 10 acre site.

Testifying in support of the petition to rezone the property from UR-3 to HC under the county zoning code was Samuel Esposito, one of the owners of the property.

Supporting testimony was offered by George Hall, an adjoining property owner and a member of Emmons Grade School Board, who pointed out that the improvement would increase property values in the area and

would bring additional revenue to the school district without increasing the school enrollment.

Sewer and water plans have been approved by the Lake County Health Department, according to Esposito, and sewers are expected to be installed in the area within five years by the county Department of Public Works.

The Zoning Board of Appeals will submit a recommendation to the Lake County Board of Supervisors, but board action is not expected until the May meeting.

## Jaycees Sponsor Art Show

The Lake Region Jaycees will present their Spring Art Show on April 26 and 27 at St. Peter's Social Center, Antioch.

The Jaycees are sponsoring the show to promote cultural awareness and to offer a sales media for area artists. The show will be open from 1 p.m. to 6 p.m. on both days.

Judging will be in 10 categories. They include oils, water colors, pastels, drawings or sketches, casein, photography, sculpture, ceramics, and mixed media.

Awards will be made. Those who wish to enter may get all details from the Lake Region Jaycees, P. O. Box 254, Antioch. Only 48 spaces are available.

## Unemployment Rate To Be Determined

A number of residents in this area will be visited by Bureau of the Census interviewers during the week of April 13 as part of the monthly service on employment and unemployment conducted in cooperation with the U. S. Department of Labor, according to Director Theodore F. Olson of the Bureau's regional office in Chicago.

Local households to be visited are part of a scientifically selected sample of all U. S. households. In addition to questions about employment there will be some questions about work experience throughout 1968.

Additional supplementary questions will be asked in a small

number of households to complete two surveys started last month—one to determine family and personal income levels in 1968 and the other to learn the number of Americans who have moved since a similar survey was conducted in the spring of 1968.

Information about individual households is kept confidential by law. Results of Bureau surveys are published only as statistical totals.

## 10 Area Artists Winners

Ten Antioch area residents won blue ribbons and 19 others received honorable mention in the recent 10th annual Town and Country Art Show held at the Lake County Fairgrounds.

A total of 157 blue ribbons were awarded to Lake County amateur artists, the largest number ever awarded in the annual show.

The winners of blue ribbons in the adult division will have their works entered in the regional show to be held at Northern Illinois University this summer.

Judging the show was Dr. Walter Johnson, professor of art and head of the University Extension Division in Visual Arts, University of Illinois.

The show is sponsored by the Lake County Cooperative Extension Service of the University of Illinois and supervised by county extension advisers. The show drew a total of 645 different entries.

Those winning blue ribbons in the junior division were Karen M. Saman, of 1911 Burr Oak Lane, Lindenhurst, and Priscilla Strahan, of 398 First St., Antioch, who won two awards.

Receiving honorable mention in this division was Michael Beivor, of 220 70th Ave., RFD 5, Antioch.

Receiving blue ribbons in the adult division were:

Norma Biguhl, Allendale School, Lake Villa; Shirley Grego, Rt. 5, Box 199, Antioch—two awards; Jerry Hanson, 209 Obermeier Drive, Lake Villa; Barbara Sleeman, 1012 Lake Ave., Lake Villa; Jan Stutz, Rt. 1, Box 679, Antioch; Grace Strahan, 397 First St., Antioch—three awards; Patricia Williams, 2205 Areade Drive, Lake Villa; and Vera Stromberg, Rt. 2, Box 400, Antioch.

Those receiving honorable mention included:

Patricia Baker, 301 Sears Blvd., Wildwood; Michael F. Becvar,

Mayor Raymond P. Toft heads the People's Party ticket in a bid for re-election in Tuesday's Antioch Village Elections with two incumbent Trustees adding strength to the ticket.

Mayor Toft's bid for re-election is being opposed by Murrill W. Cunningham, former Antioch

mayor who was defeated in a hard-fought contest four years ago by the incumbent.

Cunningham heads up the Progressive Party in the non-partisan village balloting.

Among the six candidates for Trustee, three of whom are to be elected from the village at large,

are incumbents Vern (Barney) Barnstable, and Robert C. Wilton who are Peoples Party candidates.

Richard J. Daniel, a newcomer, is seeking election to the Trustee post now occupied by Arthur Melendick, who is not seeking re-election.

Veteran Village Clerk C. B. Shultis declined to run for re-election and the Peoples Party slated Marilyn J. Sterbenz as a candidate to fill the vacancy.

Opposing Mrs. Sterbenz on the Progressive Party ticket will be Village Clerk candidate Ernest A. Westlund.

Trustee candidates running under the Progressive Party banner are Robert H. Bemis, Einar Petersen, and Arnold W. Weber. Voting will be in the Village Police Building at 875 Main St., and the polls will be open from 6 a.m. to 6 p.m.

## Drummond Reports To Supervisors

Members of the Lake County Regional Planning Commission held their annual dinner-meeting last week and heard a review of accomplishments from Director Norman Drummond.

Also attending the affair, at Brae Loch Country Club, were several supervisors and members of the newly-formed Lake County Housing Study Committee.

Drummond said the planning staff is now preparing a comprehensive plan for the development of the County in which a revised land use plan, the County's plan for sewer improvements, the work of the Lake County Transportation Study and the Forest Preserve District's planning are being tied together.

To supplement the adopted land (Continued on page six)

## Grade, High, Jr. College Board Elections Set

Antioch area residents will be busy casting ballots Saturday in three school elections including balloting for board members for Lake County Junior College District 532.

Board members for Antioch Community High School, Antioch Community Grade School, and Grass Lake Grade School will also be elected Saturday.

Two members will be elected to the Junior College Board from the District at Large which consists of most of Lake County with the exception of the Highland

Park-Lake Forest area and Barrington.

Three polling places will be open for Antioch area residents.

Precinct One encompasses all of Antioch and Newport Townships with voting in the Antioch Community High School building.

Precinct Two includes that part of Antioch High School District in Lake Villa Township except that part in Sections 25, 35, and 36 in Township 45 North, Range 10 East of the 3rd P.M. and Sections 1 and 2 of Township 45 North, Range 10, East of the 3rd P.M. Voting will be in Lake Villa Grade School, Grand Ave.

Precinct Three consists of that part of Antioch High School District in Lake Villa Township lying in Sections 25, 35, and 36 in Township 46 North, Range 10, East of the 3rd P.M. and Sections 1 and 2 of Township 45 North, Range 10, East of the 3rd P.M. with voting at B. J. Hooper School in Lindenhurst.

Three candidates are seeking the two three-year terms to be filled in the balloting.

Seeking re-election to the Board are Mrs. Roland Sandee, of Waukegan, and Mr. Oby Cowan, of

North Chicago. Running for a Board post for the first time is Walter Kroll, of North Chicago.

The same precinct divisions and polling places will be in effect for the Antioch Community High School Election with the polls for both elections open from 12 noon to 7 p.m.

Running unopposed for the two Board posts to be filled are incumbent Board Secretary Robert Denman, and August G. Costoff.

Four candidates are in the run-

ning for the two Board of Education posts for the Antioch Community Consolidated Grade School District No. 34.

Seeking re-election are Mildred LaPlant and Charles P. Maplethorpe and opposing their bid for re-election are Bernice K. Soladay and James W. Erdmann.

The entire district comprises one precinct and the Antioch grade school building will be the (Continued on page six)

## Firemen Deliver Easter Baskets

Food baskets made possible through the Garland Memorial Fund were delivered in the Antioch and Channel Lake areas Saturday to brighten Easter Sunday for several families. The baskets were delivered by members of the Antioch Fire Department, and prepared by the Antioch

A&P Food Store. Each basket contained bread, milk, potatoes, eggs, butter, fresh fruit and vegetables, and, of course, the traditional Easter ham.

Members of the fire department volunteered their services for the Saturday deliveries.

A DIFFERENT KIND of Easter Bunny delivered baskets of food to needy families in the Antioch and Channel Lake areas Sunday. Ready to hop out on their rounds from the Shopping Plaza are, left to right, John Christensen, Robert Cunningham, Dick Major, and Bill Eckert.

## 12th District Women To Hear Cong. Taft

A cordial invitation is extended to all interested persons to hear Congressman Robert A. Taft, Jr., of Ohio, address the 12th Congressional District Women's Republican Club. This annual spring dinner meeting will be held in the Illinois Room of the Illinois Beach State Park in Zion on Sunday, April 27. A reception will be held during the social hour, at 1 p.m. for Congressman and Mrs. Robert McClory and the guest speaker, Congressman Taft. Dinner will be served at 2 p.m.

Cong. Taft is the son of the late Senator Robert A. Taft of Ohio, known to many as "Mr. Republican". Cong. McClory, U. S. Representative from this Congressional district, will introduce the guest speaker. Cong. McClory will have just returned from the Spring Interparliamentary Union Conference in Vienna, Austria where he will be a member of the 1969 States delegation. The invocation will be given by Dr. William A. Young of Waukegan.

Mrs. Charles Maley, of Lake Bluff, general chairman, is assisted by Miss Eva Palmer, Ingleside; Mrs. Dorothy McEachren, McHenry, and Mrs. Murray Hepple, Barrington.

Mrs. Robert Badger, of Libertyville, is ticket chairman; Mrs. Frank Bors, Mundelein, program chairman; Mrs. Raymond Vierch, Harvard, hospitality; Mrs. Baldwin Newman, Lake Forest, ways and means; Mrs. George Thom-

as, Crystal Lake, decorations; and Mrs. Walter C. Hamann, Lake Forest, publicity. Mrs. Arthur Jenner of Crystal Lake is president of the club.

Tickets are available (\$6.00 per person) from the following:

(Continued on page six)

## Cong. McClory Urges "Eisenhower Bills"

Speaking from the floor of the House of Representatives, Congressman Robert McClory (R-Lake Bluff) proposed that the likeness of General Dwight D. Eisenhower should be placed on the 1969 series of dollar bills as an appropriate recognition of General Eisenhower's contributions to our nation and to the world.

In his remarks, Congressman McClory noted that the Lake County, Illinois, Coin Club—an active numismatic organization—had passed a resolution urging this action with respect to the 1969 series of \$1 Federal Reserve Bank notes to be issued soon. The Congressman emphasized that his proposal did not mean the disappearance of the picture of George Washington on our currency. The proposal relates only to the 1969 series of dollar bills.

According to Congressman Mc-

Clory, the Bureau of Printing and Engraving will issue soon a new series of \$1 Federal Reserve notes which will bear the facsimile signatures of the new Secretary of the Treasury, David Kennedy, and the new Treasurer of the United States, Dorothy Elston. Congressman McClory declared: "The 1969 series would be made even more commemorative of the year of issue by featuring the Eisenhower likeness."

The Congressman continued: "General Washington's portrait will continue to be seen on the dollar bills now in circulation and—following the final printing of the 1969 series—the Washington likeness would be resumed."

Congressman McClory is drafting legislation to implement this proposal for the "Eisenhower dollar bill" and hopes to receive overwhelming support in the Congress.

## Boy Scouts Launch Sustaining Member Drive

A drive to enroll Sustaining Members of the Evanston North Shore Area Council's Northwest District, a key factor in the support of the Boy Scout movement in this area, will be conducted during the month of April, according to District Chairman Norm Schaper, of Libertyville.

Heading the drive in the Antioch area will be William Brook, president of the State Bank of Antioch. Assisting Brook in the Antioch area will be Dr. Fred Bobzien, Dick Radke, Gus Cost-

off, Frank Johnson, Ray Scarpelli, and Len Lagerstrom.

Joining in the drive will be Henry Nohava, of Pack and Troop 80; Joseph Gutowski, Pack 86; Dick Waters, Troop 86; Elmer Eberman, Troop and Post 91; Richard Jorgensen, Troop 92; Irv Walsh, Pack 192.

Sustaining memberships and United Fund participation provide funds for local District and Council operations which include maintenance of camping facilities; the Scout Service Center,

Registration Service, and the professional staff.

Registration fees from Boy Scouts and adults go to the National Boy Scout office while funds raised through local projects such as Pancake Breakfasts, paper drives, dinners, Christmas Tree sales and other fund-raising projects remain in the local unit.

In calling for support of the Sustaining Membership Drive Brook said, "We hope to contact everyone, but if we miss you, don't be bashful. Call us."

Congressman and Mrs. Robert McClory following their wedding ceremony in Christ Church, New York City.

## EDITORIAL

### Progressive Pick

The Village election is coming up next week and we are about to take the plunge and tell you who we are supporting.

In this election we are behind the Progressive Party slate and there are several reasons.

The Progressive Party slate is composed of Murrill W. Cunningham for mayor, Ernest A. Westlund for clerk, and Robert H. Bemis, Einar Petersen and Arnold W. Weber for trustees.

Now this does not mean that we do not have an affection for some of the trustee candidates on the other ticket. But we believe that if you are going to select anyone, in order to get things done, you must have all committed to the same purpose.

All of the Progressive Party candidates are committed to a program of action for the village.

We like this approach to public office.

It is all very well to sit back and say "we are running on our record but we don't want to make any promises."

In our opinion, promises are all that a politician is armed with and then if he doesn't produce you can toss the rascal out.

But we would not be adverse to a vote for Vern L. Barnstable or Richard J. Daniel. We believe that either of these candidates would also be a decided asset to the board.

But there is another phase that enters into this race.

In checking the record we have found that the mayor has been selling the products of his gasoline station to the village.

We grant the fact that the village needs the products — but even the most devout fan must admit there are other gas stations in the village.

We don't even go so far as to say it might be illegal. Or a conflict of interest.

But we just don't believe it should be done.

If the mayor can supply oil for \$15 and the other station has a price of \$20, it just seems to us that you have to eat the higher price.

A check of the records discloses that the mayor supplied to the village a total of \$442.02 in whatever his station sells in 1966. In 1967 the figure jumped to \$463.89. And in 1968 it was listed at \$1,548.39.

Wilton Electric has also done business with the village during the term of Trustee Robert Wilton.

In 1966 the tab was \$384.30; in 1967 it was \$112.52; and in 1968 it was \$87.07.

We admit the amounts are small. In fact, an old word that comes to mind is "piddling" but the sales were made nevertheless.

We just don't believe this is right.

Another factor is that we like the novel idea of Cunningham when he says that the mayor should be a full time job and "that will keep out the part-timers like Toft and myself."

Cunningham says that he will work toward that end.

We say give him the time in office to do it.

A last factor is that the Progressive Party slate is composed of people that are not new to administration or public office.

We will go along with them.

### Congratulations

A total of 10 Antioch area artists won blue ribbon awards at the recent Town and Country Art Show at the Lake County Fairgrounds.

Another 19 were the recipients of honorable mention awards.

We are happy and proud to applaud the accomplishments of these artists who find a way to express themselves in various media such as oil, ceramics and the like.

We wish that we were so blessed.

But our scribbling would hardly pass for art in any form and we are much the poorer for it.

There is another art show coming up—this time in Antioch—later this month.

This show is sponsored by the JayCeers and deserves to be supported.

We are hopeful that the artists who found time to enter the county show — at least from the Antioch area — would once again put their efforts before the public.

In this way we can all see the works if we happened to miss the show held at the fairgrounds.

A limited number of spaces are available for display so we urge all those who wish to participate to get their entries in early.

We are looking forward to an interesting afternoon of just browsing through the entries.

#### MAYOR'S PROCLAMATION FOR 1969

WHEREAS, cancer has made increasing inroads on the American population in 1968, and WHEREAS, today there are more than 1,500,000 living witnesses to the fact that cancer can be cured, more than 20,000 in Illinois, and

WHEREAS, knowledge of the "Seven Warning Signals" of cancer can save lives; these signals being—

1. Unusual bleeding or discharge
2. A lump or thickening in the breast or elsewhere
3. A sore that does not heal
4. Change in bowel or bladder habits
5. Hoarseness or cough
6. Indigestion or difficulty in swallowing
7. Change in a wart or mole

and WHEREAS, this being the year to urge all to help themselves to a physical examination, and

WHEREAS, this knowledge should be more thoroughly promulgated so as to save more lives needlessly lost to cancer, more than 9,000 in Illinois alone next year and 600 in Lake County;

and WHEREAS, the work of the American Cancer Society has constituted a fundamental contribution to the never-ending battle against one of man's prime destroyers, and

WHEREAS, hopefully, thanks to ever growing knowledge in the biological and medical sciences, we are continually coming closer to a solution of the problem which is cancer; Therefore

#### BE IT RESOLVED—

That all residents of Antioch be urged to observe and take part in the Cancer Crusade both through support of the American Cancer Society, and through acceptance of the message from one's neighbor-volunteer of the Society.

I therefore proclaim Cancer Sunday to be April 23, 1969 and April as Cancer Control month. Done under my hand this 10th day of April in the year of our Lord, One thousand Nine Hundred and Sixty-nine.

Raymond Toft  
Mayor of Antioch

### Jaycees Set Spring Art Show Dates

The Lake Region Jaycees will present their annual Spring Art Show Saturday and Sunday, April 26 and 27, at St. Peter's Church Social Center.

The exhibit will be open to the public from 1 p.m. to 6 p.m. both days.

Awards will be presented in the following categories: Oils, Water Colors, Pastels, Drawings or Sketches, Casein, Photography, Sculpture, Ceramics, and Mixed Media.

Space in the exhibition hall will be assigned on a first come, first serve basis.

Everyone should have a "sick income"

And a State Farm Medi-Cash Plan is it. Extra income to make your stay in the hospital more comfortable. Medi-Cash pays you cash. Use it for whatever you need.

## Washington Documentary To Be Shown

"Meet George Washington," an original one-hour documentary, will be presented over NBC television on Thursday evening, April 24.

The full-color production, sponsored locally by Northern Illinois Gas Company, is scheduled for 8:30 p.m. (CST).

It will be narrated by Melvyn Douglas, who tells the story of the complex nature of our nation's first President.

The documentary tells not of a tyrannical military man, but rather of a general who took the time to personally visit wounded men in field hospitals; of a man-human enough to love dancing and the manly "art" of wrestling.

Nearly 45 million workers throughout the Nation are now covered by the Fair Labor Standards Act—The Federal minimum wage and overtime law.

Talking to this man could get you Life

It could get you excellent auto, home and health insurance, too.

SHARP GUESSING in the Peter Rabbit Contest to "Guess the Number of Easter Eggs in the Basket" brought \$25 Savings Bonds to Jim Johnson, center, three year old son of Mr. and Mrs. Robert L. Johnson, of Rte. 1, Box 201A, Trevor, Wis., and Julie Hannum, six year old daughter of Gerald N. Hannum, of 707 Lake St., Antioch. Making the bond presentation is Richard Daniel, Vice President of the State Bank of Antioch.

## AARP Conducts Silent Auction; Sets Plans

Antioch area AARP Chapter held its first meeting for the month of April on Tuesday, with the return of the president John L. Moran, after a month's leave of absence and taking over the President's chair were Mrs. Lena Messing, vice president, in Moran's absence.

The meeting of Tuesday was attended by 79 members enjoying their usual coffee and cake at 12:30 p.m., followed by a short business session.

Following the business session the group held its annual silent auction. A number of the members played cards.

The next meeting, April 22, will be card playing only for the members.

Frank Freise, program chairman announced the date set for the noon day luncheon to be held at the Rustic Manor, Gurnee, Tuesday, May 13. The members will travel by cars, meeting in the Savings & Loan Parking area at 11:00 a.m., to be at the Rustic Manor by 12:00 noon. Following the luncheon cards will be played by the members. A package ticket for each member is \$2.15.

In 1939, Winston Churchill said, referring to Czechoslovakia, "All is over. Silent, mourned, abandoned, broken Czechoslovakia recedes into darkness." Now this sad little country, after a brief flicker of freedom's light, again recedes into the darkness.

## Assessors Learn Tax Suit Rules

Lake County's township assessors attended the annual meeting Thursday, March 20, in the administration building. County Supervisor of Assessments George Rockenbach said the primary topic was personal property matters.

Assistant State's Attorney Mrs. Donna Henderson, who is in charge of the Delinquent Tax Dept., explained the procedure for filing lawsuits and collection of back taxes. She told assessors about 100 cases a week are being taken to court. Collections amounted to \$13,000 for the month of January, while \$29,000 in delinquent taxes was collected in February. Mrs. Henderson said many people come in and pay their back taxes after official notice is sent and before the case is brought to court.

Dwight Magalis, head of the county's Data Processing Department, said eleven townships are now having personal property schedules printed on the computer and by next year all 18 townships will be run on the equipment.

In answer to a question as to why social security numbers are now being used beside the name, Magalis said some uniform number was needed to identify individuals. He said there are cases where a name is changed or initials substituted which makes it difficult in tracing the person, particularly in delinquent tax cases. The social security number will aid in keeping a schedule of unpaid back taxes on the computer.

Lowell Wirth head of the tax Extension Dept. for the county, told the assessors three townships are yet to be processed and therefore he cannot release the rates until after everything is firmed up, probably after the first of the month. Wirth said any rates discussed up to now are only guesstimates.

Following the annual session, the assessors adjourned to the Swedish Glee Club for their regular monthly meeting. It was reported that fourteen of the eighteen attended a three-day seminar in Peoria recently.

## Spring Brings Bike Set Into Streets

In the Spring, more and more of the "bike set" take to the streets. This is an ideal time for them to visit the Hinsdale Health Museum to learn safe riding or to review the training that they may have received at school.

On Saturday and Sunday afternoons at 2:00 and 3:00 p.m. during the month of April, the film, "Bicycle Rules of the Road" will be shown at the Museum. In this film, a set of twins with new bicycles with the aid of the police learn the safety rules for bicycle riders.

All visitors to the Museum will have the opportunity to view and hear Valeda, the talking glass lady. There are two scripts, one in simple terms for the 4th grade and below, the other in more advanced language for older students and adults. They may listen to their own heart beats and test their lung capacity.

Other exhibits at the Museum include the brain, the heart and the sensory organs, to list a few. With the help of earphones, the visitors may hear the story of the wonderful human machine.

The Hinsdale Health Museum is located at 40 South Clay St., Hinsdale. There is a 25c admission charge, excepting children under 5; group reservations should be made in advance by calling 325-1900. Hours: 9 to 5 Monday through Saturday; 1 to 5 Sunday.

It's easy to place a classified—Just dial 395-4111.

## Legislation Would Hike Gasoline Tax

The Illinois Highway Study Commissions has made recommendations for highway improvements to Governor Richard B. Ogilvie, to members of the 76th Illinois General Assembly, and has offered legislation in support of its proposals, the Taxpayers' Federation of Illinois noted today in its weekly release.

The study commission recommends a raise in the present 66¢ per gallon Motor Fuel Tax to 82¢ per gallon and a higher raise or differential on diesel fuel to 92¢ per gallon. Classifications and registration fees on passenger cars are recommended to be changed to rates of \$20 per vehicle for autos of 35 and less horsepower and \$30 per vehicle over 35 horsepower. Truck registration fees are also proposed to be increased.

New revenues in the form of excise taxes are suggested as follows: 10¢ per pound be levied on new tires and tubes and 5¢ per pound on tread rubber when these products are sold for use on Illinois highways; an excise tax of \$1 each be levied on batteries sold in Illinois for use in Illinois vehicles; and an excise tax of 10¢ per quart be levied on all anti-freeze sold in Illinois for use in motor vehicles. All State collected highway user revenues would be deposited in the State treasury in a newly created Highway User Tax Fund.

The Highway Commission further recommends a functional classification of all roads so that there would be an orderly grouping of highways, roads and streets into systems according to their service characteristics. Naturally, such a change-over would put some hardships upon certain units of governments because their highway work would be affected materially and suddenly; therefore, the commission proposes additional support to local governmental units for a five-year period.

If the 76th Illinois General Assembly adopts the study commission's recommendations pertaining to classification, the Highway User Tax Fund is recommended to be distributed as follows, after deducting collection expenses and other statutory charges: 46.5% to the State, 22.8% to counties, 25.4% to municipalities, and 5.3% to townships and road districts.

Another important recommendation of the study group is that there be created an Illinois Highway Trust Authority to issue not to exceed \$2.5 billion in serial highway bonds, not to exceed \$250 million per year, the bonds to be retired from highway revenues on an annual lease-rental agreement between the Division of Highways and the Highway Trust Authority. Local governments could also issue bonds for road and street purposes and pledge part of their shares of the Highway User Tax Fund to retire the bonds.

Diversion of highway user taxes is called to the attention of the public in the commission's report and the study group recommends its halt. Illinois ranks near the top when compared with other states in overhead costs financed from highway user taxes. Under current statutes, Illinois would produce around \$450 million in State highway user taxes in 1970, but only about \$94 million of this amount would be available for construction on the State system of roads.

## Local Auto Salesmen Are Honored

Three members of the sales staff of Lyons-Ryan Ford Sales, 104 Route 173, Antioch, will be honored for outstanding sales performance during 1968 at a Ford 300-500 Club banquet in April.

Bernard L. Crumpton, Ford Division's Chicago district sales manager, said a select number of Ford dealership salesmen will be presented a club membership award for "excellent retail sales performance."

The 300-500 Club was founded in 1950 to recognize the performance of outstanding Ford salesmen throughout the country. Mr. Crumpton said the average 300-500 Club member sold nearly \$500,000 worth of automotive merchandise in 1968 to qualify for the national honor.

The men are: John H. Uedell, Owen L. Duffy and Ken G. Torkelson.

There was a gardener who wet his tomato plants with whiskey, so he could have stewed tomatoes.

## Pollution Meeting On April 12

The Open Lands Project announced today that it will call together a wide cross section of civic and conservation organizations for a "Four State Lake Michigan Conference" April 12 in Chicago.

Dr. Charles E. Olmsted, professor of biology at the University of Chicago and a Project board member and Conference chairman, said the one day meeting will seek means of citizen action "to prevent the unnatural death of Lake Michigan unchecked."

More than 50 different organizations are expected to be represented at the Conference which will be held in the University of Chicago's Center for Continuing Education, 1360 E. 60th St. Carl L. Klein, newly appointed assistant secretary for water quality and research, U.S. Department of the Interior, will be the luncheon speaker at the Conference.

The morning session, beginning at 9:30 a.m., will be highlighted by a panel discussing present threats to the lake from sewage and industrial wastes, agricultural fertilizers, herbicides and pesticides, landfill and shoreline developments and the future threat of the thermal pollution resulting from anticipated construction of nuclear power plants along the shoreline.

Participants in the morning panel include Leonard Link, coordinator of environmental studies, Argonne National Laboratory, concerning thermal pollution and H. W. Poston, director of the Great Lakes Regional Office of the Federal Water Pollution Control Administration, on sewage and industrial wastes.

## GOVERNMENT

Representative government can not exist in this country unless the individual retains the privilege of making his living without regard to political considerations—the State must never become the primary employer of American citizens. So long as representative government is the system desired by the American people, it is imperative that the people be constantly aware of the part private industry and private employment play in maintaining that system.

## Interest Seen In Housing For County

Chairman Richard Kennedy of the Lake County Housing Study Committee told members attending the second general meeting March 21, that several companies have indicated an interest in constructing large tract housing projects here. He went on to say the Housing Study Committee's recommendations will ultimately have a bearing on what is constructed.

The committee was formed by resolution of the Lake County Board of Supervisors and is made up of citizens interested and knowledgeable in the field of housing, labor, construction, business and industry.

Kennedy told the group at the session they should not lose sight of the fact that "we are charged not only with looking into low income but middle income housing." He said he just returned from a trip to Washington where he and others in the delegation met with representatives of the Bureau of the Budget. Purpose of the meeting was to seek designation of Lake County as part of the standard metropolitan statistical area. Kennedy pointed out that being a part of the declared area has a bearing on applications for federal funds, and even FHA programs.

Housing Study Committee Secretary Norman Drummond, who is Director of the Regional Planning Commission, said his office has on file lists of planning activities and development programs which will be made available to the committee.

County Board Chairman Robert W. Depke offered the assistance of other departments under county jurisdiction and information they might have available. He thanked the Committee members for donating their time and talent to the study.

The group has been broken into subcommittees which are to meet separately, then report back at the next general meeting in two weeks. The five subcommittees and their particular area of responsibility include: Housing needs and Goals; Laws, Codes and Ordinances; Housing Development; Utilities; and Transportation.

## Zerr Named All-State Sales Agent

Lawrence J. Zerr 618 Franklin Ave., Ingleside, has been appointed Sales Agent by the All-State Insurance Companies. His appointment follows the successful completion of an extensive training course in the firm's Midwest Zone Office, in Skokie. Zerr was also named Allstate

Insurance Safety Crusade Representative for the Ingleside area. He may be contacted for the various safety materials made available by the company.

Zerr is a graduate of the Antioch High School. He and his wife Maxine have one son, Mark, 1½ years old.

Headquarters for Zerr will be the Sears, Roebuck and Co. location, 121 Lakeland Shopping Plaza, Fox Lake.

## THE ANTIOCH NEWS—3 THURSDAY, APRIL 10, 1969

General Telephone Company, in a house organ, entitled "General Telephone News," points out the serious acts of vandalism which disrupt outdoor pay phones causing inconvenience to the general public. . . . In times of emergency, our first thought is to telephone the police, firemen or for an ambulance; this cannot always be done at home, therefore it is imperative that public telephones, function properly when needed. Individuals or groups of individuals who deliberately destroy telephoning equipment, must surely belong at the bottom of the intelligence scale.

## Where The Boys Are

Pvt. James J. Bruski, Jr., son of Mr. and Mrs. James J. Bruski, Sr., of Lake Marie, Antioch, is taking his basic training at Fort Leonard Wood, Mo.

Bruski would like to hear from the folks at home and you can write him at Co. B, 5th Bat., 2nd Bgd. His serial number is 5481538. The area code is 65473.

Walter E. Bosnick

SAN ANTONIO — Airman Walter E. Bosnick, son of Mrs. Josephine A. Bosnick of Rt. 2, Antioch, has completed basic training at Lackland AFB, Texas. He has been assigned to Sheppard AFB, Texas, for training in the transportation field. Airman Bosnick, a graduate of Antioch Community High School, attended Keno-sha Technical Institute.

## Legion Auxiliary

By Del Jahneke

American Legion Auxiliary members throughout Illinois have been busy for a number of years saving bottle caps, labels, and clipping coupons. While this is not a "stock and bonds" clipping coupon program, it is one which helps to provide assistance of great value. Funds derived from this project will further the department (state) child welfare and community service programs.

Mrs. Henry Heinsolm, Lake Zurich, District Coupons Chairman, joins Mrs. Ralph Fields, Antioch Unit coupon chairman, in urging American Legion Auxiliary members and friends to keep collecting and saving all redeemable coupons, stamps, box tops, bottle caps and labels. The state coupon program is thus enabled to give money to purchase equipment for the Cook County Burn Center in Chicago, through the redemption of these coupons. The Cook County Burn Center is one of the leading burn treatment centers in the country. Any additional money is used in continued aid to the retarded children at state hospitals in Lincoln and Dixon, Illinois.

Through the collection of various dog food labels, the American Legion Auxiliary is also able to furnish seeing-eye dogs for blind veterans. Ten thousand coupons are needed to obtain just one such dog. Cash value of this amount is approximately \$1,500. This sum includes three months' training of the dog, four weeks' training of the dog and master team, round trip transportation to and from the student's home, and room and board during the training period.

Many seeing-eye dogs have been provided through the redemption of these dog food labels by the American Legion Auxiliary and friends. The dog food labels go directly to the Pilot Dog Foundation from the coupon chairman. Antioch Unit would welcome any coupons contributed by members and friends.

Two reminders to the members of the Antioch American Legion Auxiliary are: 1—their Unit meeting is April 11th, at 8:00 p.m., at the Antioch American Legion Home. The Americanism essay contest winners will be present, and the 10th District officers will be their honored guests.

Another reminder that the 10th District meeting of the American Legion Auxiliary will be held at 8:00 p.m., on April 16th, at the Lake Zurich American Legion Home. There will be a Poppy Hat and Corsage contest, a Memorial service, and the District Americanism essay winners will receive awards. Tenth District Council officers will be their invited guests.

"A cloudburst of a hit!" said the New York World Telegram and Sun. "A hit you must see," acclaimed the New York Mirror, and "An excellent play for all groups" advises Samuel French publicists. All of this praise went to "The Rainmaker" when it made its debut on Broadway.

This romantic comedy in three acts by N. Richard Nash, will be presented by Palette, Masque & Lyre, Inc., Antioch's amateur theatre group on April 18, 19, 23 and 26 at the PM&L Theatre, 877 Main St. Curtain time is 8:30 p.m.

"The Rainmaker" is not a sophisticated, suave comedy with hidden meaning and hidden morals. It is a warm, homey, oftentimes humorous and sometimes tearful unfolding of the lives of a family in the 1910-20's living on a farm and trying to weather a severe drought. It is also a tale of this same family, consisting of H. C. Curry (Bob Lindblad) his two sons, Jim and Noah (Bob Davis and Mike Ciesielec) and his very plain daughter, Marybeth

Marybeth Bentel

Bentel). The father and boys are trying to marry off Lizzie, but she is convinced that she is plain and ugly and that she'll remain an old maid. File, a deputy (Gary Richer) and the Sheriff (Don Beveroth) also enter the plot.

The Rainmaker (Bob Holiday) enters the scene and promises he'll bring rain within 24 hours for \$100. In the next 24 hours the hidden frailties of all the characters are revealed—characteristics they never dreamed were there. The Rainmaker, too, discovers his inner conflicts and Lizzie finds that she has beauty and is a woman. The rain comes, love blooms, and if you believe in "and they all lived happily ever after" you can see the silver lining of the stor melonds.

Don Beveroth directs the production. He is assisted by the following production staff: Betty Beveroth and Ricky Apostol as production managers; Allene Biel as stage manager; Ken Smouse, designing and construction of set, Marie Richter in charge of properties; Joanne Springer executing set decor, Stan Sutherland, sound; Jim Sorenson and Wayne Bentel in charge of lighting, Hank Apostol and Betty Smouse doing publicity.

Tickets for "The Rainmaker" are on sale at the box office of the PM&L Theatre every Monday, Tuesday, Thursday and Friday nights, and at Wes Camp's Standard Oil Station, corner of Main and Park, Antioch. Reservations may be made by calling Wes Camp's Standard Service, 395-9708.

## Patricia Lombardo Is A Cheerleader

Patricia Lombardo, daughter of Mr. and Mrs. Salvatore Lombardo, 251 Maplewood Drive, Antioch, has been named to the 1969-70 varsity cheerleading squad at Eureka College.

The selection was made after the girls participated in a week-long clinic and then performed before a committee of judges made up of faculty, administration officials and students.

By Lillian Birdsell

The children of the Antioch Moose members had a beautiful day on Easter Sunday for the festive egg hunt which was held at the Shraders Resort in Antioch. The hunt which started at 2 p.m. was all over by 5 p.m. and each child was given cookies and candy donated by Art LaFlamme, in addition to their egg find. Many of them gathered quite a few pennies from the penny scramble game following the hunt. Mrs. Violet Schrader, owner of the resort, donated decorated dishes in the Easter basket fashion, all filled with goodies to each one of the children in addition to all their other gifts.

Winners of prizes in the egg hunt from the younger group in ages of 2 to 5 were: Allen Horton who won first place and received a large stuffed bunny rabbit as a gift. Cathy Schindell was awarded second prize and Cathy Smith was given third, each receiving a stuffed bunny rabbit as their gift. The older group, ages ranging from 6 to 10 years of age all received money. Receiving both the first and third place was Laura Miller of Route 2, Antioch. Ronald Pedersen was awarded second place prize. All of the children were contented and happy with their Easter Egg Hunt and the whole afternoon can be considered a successful affair.

By the time this paper reaches you this week, the election of officers for the Antioch Moose Lodge will be over and their names will be announced next week. The one thing to keep in mind now will be the installation ceremony for the newly elected officers which will take place on Saturday evening, April 26. An entertaining evening has been planned and a smorgasbord feast will be served. Dancing to live music will follow the installation ceremony and a gay evening has been planned.

The champion Woodstock ritual team will perform the enrollment ceremony scheduled for Saturday evening, April 19, at the Antioch Moose home. A big enrollment has been planned for that evening and all members are invited to attend. This ritual team is the same one that performed for the Moose Convention held in Champaign last month and they are really something to see. Music for dancing will follow and a smorgasbord will be served.

The officers of the Women of the Moose all traveled to the Des Plaines Moose Home on March 27th to attend the green cap session which was held there. From Antioch there were senior regent Shirley Gehrls, Jr., graduate regent and green-cap co-worker Jerri Polson, Jr. regent Catherine Kloth, chaplain Bernie Rosquist, recorder Rose Roth and treasurer Pat Sperling. A total of 124 members from the various chapters were present and from this total, 19 were college graduates, 60 were friendship and there were 8 star recorders. Magdalene Remsing, former grand regent of Illinois was also present. Jerri Polson filled the chair of escort for the evening.

There were 31 members present for the chapter night program held at the Antioch Moose home Thursday evening, April 3rd. An enrollment ceremony for two new members was held. They are Marie Biehl, home chapter, sponsored by chaplain Bernie Rosquist and Loraine Rentsch, sponsored by chairman Shirley Rentsch. Four of the new members were awarded their chapter pins by the senior regent, Shirley Gehrls for attending three consecutive meetings. They were Loretta Greenhill, Alice V. Fox, Barbara Ann Cole and Dorothy Laursen.

The Friendship session for the Women of the Moose will be held in Madison, Wis., on May 4th. This day is to honor all chairmen of last year who have sponsored two candidates and have qualified for the academy of friendship, the second degree of the Women of the Moose.

The time has come for the Women of the Moose to select officers for the chairs for the new term soon to begin. The nominating committee will meet on April 23rd at the home of Pat Wagner at 7 p.m. Any co-worker who wishes to assume the responsibility of an office may submit her name at this time.

In Fiscal 1968, the U.S. Department of Labor certified 141,827 alien workers for permanent employment in this country. Four out of every 10 of them have settled down in New York or California.

## Antioch Youth Vocational Honor Winner

Eight students of the Waukegan High School Area Vocational Center have been named by their instructors as the outstanding students of their departments for the first six weeks period of the second semester.

Department leaders of the Business Data class are Kenneth Maciej of Waukegan and Danno Troyer of Antioch. Electronics leaders are Steven Yott of Deerfield and John Ziembra of Waukegan; Building Trades leaders are Kenneth Hairell of Waukegan and Vern Blue of Libertyville; Machines leaders are Ken Giragosa and Randy Semm both of Waukegan.

Director Albert Remde adds that, "these young men represent the best of our vocational students. They deserve high commendation for their accomplishments. Although they attend the Center only two hours per day, often their entire school progress is vastly improved by their participation and through the stimulation of a vocational class."

## Lakeside Rebekah Lodge No.82

By Del Jahneke

At the April 2nd meeting of the Lakeside Rebekah Lodge, the members celebrated the 87th birthday of Mrs. Frieda Wertz with ice cream and a birthday cake. Many congratulations are in order for this 87 year young lady.

Rebekah members are reminded that there will be a District No. 3 meeting on April 10th, at 8:00 p.m., at the Waukegan Rebekah Lodge.

Elective Officers' Night will be held at the April 16th meeting of the Lakeside Rebekah Lodge, at 7:30 p.m., at the Antioch American Legion hall. Since there will also be an initiation of new members that evening, the regular meeting time has been set at a half hour earlier. Guests from other lodges in this vicinity will be present, and all elective officers will be honored. A "penny social" will be held after the meeting. Mr. and Mrs. Clarence Perkins, Lake Villa, will be the host and hostess.

Mrs. Walter Buchert, Noble Grand, announced that the Independent Order of Oddfellows (I.O.O.F.) will celebrate their Sesquicentennial year of the Fraternity throughout the year 1969. A statewide celebration is being planned for Saturday, April 26, in the Masonic Temple at Decatur.

Second and Third Degrees will be conferred on candidates of the IOOF Lodges in Illinois. The Rebekah Degree will be exempted from a ritual of the year 1951.

Dinner will be served at 5:30 p.m., and a program presented in the evening. Rebekah and I.O.O.F. dignitaries will give addresses on Odd Fellowship. There will also be professional entertainment.

Mrs. Buchert will take reservations of the members who will be attending this 150th Anniversary Party from the local Lodge.

Major Petty is on the staff of

Maj. R. David Petty

Fitzsimmons General Hospital, Denver, Colorado, where he is a specialist in the Orthopedic Service, Department of Surgery. Many Vietnam veterans, requiring orthopedic treatment are channeled through Fitzsimmons Hospital.

## Barat To Show 'Lord Jim' Film

Barat College's film forum will present Richard Brooks' adaptation of Joseph Conrad's "Lord Jim", on April 16, at 8:00 p.m., in Drake Theatre on the college campus, Lake Forest.

Brooks also produced and directed the technical sea spectacular which took two years to make, and which won him the Screen Producers Guild award in 1965. It was also the top grossing picture of that year. Of the production and direction, Hollis Alpert, movie critic for Saturday Review said, "... Richard Brooks can now, in good conscience, claim his place among the important American film makers."

## Mrs. Petty To Attend GOP Session

Mrs. W. C. Petty, wife of Dr. W. C. Petty, County Superintendent of Schools, will be among the women from the 12th Congressional District attending the 17th Annual Republican Women's Conference in Washington, D. C., April 17 who will be guests of Congressman Robert McClory at a luncheon to be held in the Speaker's Dining Room of the Capitol. The new Mrs. McClory to whom Congressman McClory, a widower, was married March 30 in New York City will be present to greet her husband's constituents.

Congressman McClory has also arranged a tour of the Capitol on Wednesday afternoon for the 275 Illinois women conference delegates.

Women attending from the 12th Congressional District include Mrs. Richard C. Reed, Lake County Republican Chairwoman. Mrs. Reed who is the Chairman of the Illinois Delegation to the conference was elected Assistant Supervisor of West Deerfield Township in Tuesday's election.

The 12th District Delegation also includes Mrs. Robert D. Stuart, Jr., of Lake Forest, wife of the GOP National Committeeman from Illinois; Mrs. Frank D. Kenney of Barrington, immediate past president of the Illinois Federation of Republican Women; and Mrs. Hugh S. Robinson of Deerfield, administrative aide to State Representative John Henry Klein, 32nd District. Mrs. Robinson is chairman of the Illinois Conference Registrations and Travel Reservations and is responsible for the general business management of the Illinois Suite at the Sheraton Park Hotel in Washington, D.C., during the Conference.

## Eugene L. Thiele Makes Dean's List

Eugene L. Thiele, son of Mr. and Mrs. Emanuel Thiele, Rte. 2, Antioch, a graduate of Antioch high school, attained the Dean's Honor Roll during the winter Quarter at Milwaukee School of Engineering.

To be named to the Dean's Honor Roll at the Milwaukee School of Engineering a student must maintain a cumulative grade point average of 3.2 or higher out of a possible 4.0.

A total of 227 students attained the Honor Roll during the Winter Quarter which ended February 21, 1969. 46 of whom had a grade point average of 3.7 or higher. These students represent a cross section of those enrolled in electrical and mechanical engineering as well as those in the engineering technology curriculums at MSOE.

## Twins Club Will Meet In Waukegan

The April meeting of the Lake County Mothers of Twins Club will be a member's clothing exchange on Thursday, April 17, 8 p.m. at the YWCA, 445 N. Genesee, Waukegan. All mothers of multiple birth children are invited to join the group.

In addition, there will be a put-and-take table to raise funds for the club's state philanthropic project. The project provides aid for the Children's Hospital in Chicago.

Antioch Order Rainbow Girls, Masonic Temple, 7 p.m.

## Rainbow Girls Hold Special Initiation

Antioch Assembly No. 23 Order of the Rainbow for Girls held a special meeting March 24 to initiate Roxanne Vestal into the order. Maureen Bates presided as Worthy Advisor, Mrs. Mary Bruski as Mother Advisor.

The Assembly will hold a pancake Day April 19 as a money making project. Serving will be from 8:00 a.m. to 2:00 p.m.

A school of instruction was held at Libertyville April 5, with three representatives accompanied by Mrs. Bruski attending.

Rainbow Sunday the girls will attend a church service together in honor of the founding of Rainbow on April 6, 1922.

## Oakland PTA Sates Pancake Breakfast

The Oakland Grade School P.T.A. will hold a Pancake Breakfast Sunday, April 13, from 8:00 a.m. to 12:00 noon at the Oakland Grade School, Deep Lake and Grass Lake Roads.

The breakfast will include juice, pancakes, sausages, coffee and milk.

## CHRISTIAN SCIENCE CHURCHES

"Are Sin, Disease, and Death Real?" is the subject of this week's Bible Lesson-Sermon to be heard Sunday in all Christian Science churches.

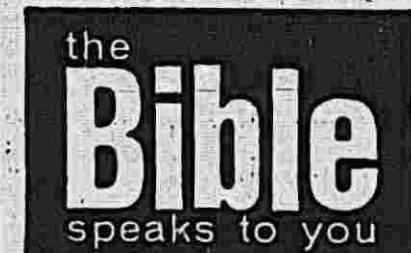

A verse from Job, included in the lesson, states that God "will not afflict." A related passage from Science and Health with Key to the Scriptures by Mary Baker Eddy says: "The humble Nazarene overthrew the supposition that sin, sickness, and death have power. He proved them powerless."

All are welcome at First Church of Christ, Scientist, BEACON HILL, Rte. 173 and Harden, Antioch, Illinois. Services begin at 11 A.M.

## WESLEY EVENING CIRCLE MEETS TONIGHT (THURSDAY)

The Wesley Evening Circle of the United Methodist Church of Antioch will meet at the home of Mrs. Roger Andrews, 696 Hillside Ave., Antioch on Thursday evening, April 10, at 8:00 p.m. Mrs. Joseph Rush will serve as co-hostess.

The program, in charge of Mrs. George Hahn, will include a film. Plans will also be made for the annual May Mother and Daughter Banquet which will be held on May 5.

881 Main St. 395-4420

## GOOD CITIZENS BUILD BETTER COMMUNITIES

Citizenship involves more than casting a ballot, attending a civic club meeting, and obeying the law. Citizenship means whole-hearted, day-to-day support of both government and the civic and philanthropic agencies which work for community improvement. (name of agency or project) benefits your community and—directly or indirectly—benefits you and yours. And your help is appreciated, needed and deserved. Help, won't you?

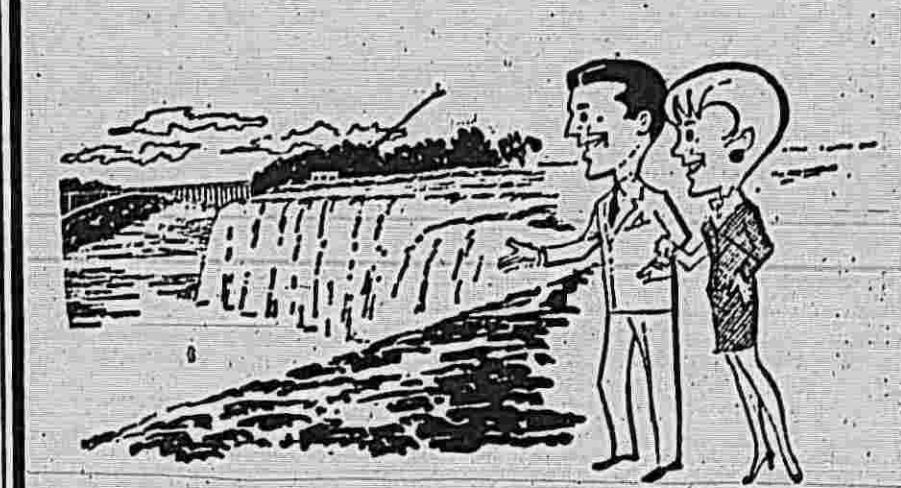

James Spencer  
Christian Science Lecturer

## "What governs you?"

Chance? Heredity? Statistical probabilities? This doesn't have to be so. James Spencer, C.S., a member of The Christian Science Board of Lectureship, says that "Spiritual law properly recognized, applied, and obeyed corrects the uncertainties and stresses and strains in our lives." How to bring this spiritual law into your experience will be discussed by Mr. Spencer in his public lecture, "What Governs You?" Come and bring your family. Admission is free.

## The Savers...Sammy and Sally

Did you ever "honeymoon" at Niagara Falls? ... Sammy and Sally did with their Savings Account

**ANTIOCH SAVINGS & LOAN**  
425 LAKE ST. 395-3030 ANTIOCH, ILL.

Antioch Community High School Band and A-Capella Choir will be seen Friday, April 11 at 8:00 p.m. performing their Mid-Winter Concert presented by the Fine Arts Department.

## Mid-Winter Concert Set By ACHS Band, Chorus

The Antioch Community High School Fine Arts Department will present its annual Mid-Winter Concert Friday, April 11, at 8 p.m.

Featured on this program will be the Freshman Girls' Chorus and the A-Capella choir under the direction of Mr. Ralph Brooke and the Concert Band under the direction of Mr. Joseph Rush.

Of special interest is the fact that all three musical groups which will appear on the program will also appear the following

Friday in the Illinois High School annual State Organization contest, which will be held at the Round Lake High School.

All three groups will be presenting the very best in both vocal and instrumental music. Just a sample of the fine music you will hear will be "To Spring" by J. S. Bach sung by the Freshman Girls' Chorus, "Brother James" Air by Gordon Jacob and "O Divine Redeemer" by Charles Gounod, sung by the A-Capella

Choir.

The concert band will be doing a number of outstanding works on the program, but two of the most outstanding are "Fetes" by Claude Debussy and the "Symphony for the Band" by Vincent Persichetti.

Tickets are now on sale by Choir and Band students and will be on sale at the door beginning at 7:30.

The Concert will begin at 8:00 p.m. in the Antioch Community High School Auditorium.

## St. Peter's Sets School Board Vote

St. Peter's School Board Election will take place Sunday, April 20, from 7 a.m. to 1 p.m. in the lower level of the Church.

St. Peter Parishioners and parents of St. Peter school children will elect two members to St. Peter Board of Education for three year terms.

The certified candidates are: James Quadenfeld was born April 3, 1936, in Antioch, Ill., and has lived in Antioch all his life. He attended schools in Antioch.

He served with the U. S. Army from 1959 to 1961, serving in Korea for one year. He has been a member of the Antioch Fire Department for 12 years and is now a lieutenant in the department. Jim is also the recording secretary for St. Peter's Knights of Columbus Council.

He is employed at Abbott Laboratories.

Jim and his wife and two children live at 503 Naber Ave.

Irving W. Carey has been a member of St. Peter's Parish since 1936. He is a past president of the Holy Name Society, Antioch Lions Club, Lake County Electrical Contractors, and the University of Notre Dame Club of Lake County, Ill.

He is presently a member of St. Peter Board of Education, director of the State Bank of Antioch, Antioch Township Auditor, and a member of the Electrical Joint-Apprenticeship Board.

Carey operates the I. W. Carey Electric and Plumbing Shop in Antioch.

H. Richard Kessler was born Sept. 30, 1932 in Chicago. He has been an Antioch resident and parish member for the past nine years.

Presently he is employed at

## Vose Named Veep of Milk Cooperative

Procedures for forming the largest milk marketing cooperative in the United States, American Milk Producers, Inc., were developed by representatives of 16 dairy farmer cooperatives from Wisconsin, Minnesota, other midwestern states and the Southwest at a meeting at Brownsville, Texas, March 28-29.

American Milk Producers, Inc., represents approximately 43,000 dairy farmers in 16 states from Wisconsin and Minnesota to Texas.

Temporary officers of the new organization were elected and June 30, 1969 was set as the target date for AMPI to begin operating. The new officers, elected Vice-President, Finance—Avery A. Vose, Rt. 2, Antioch.

Other Vice-Presidents—Melvin K. Besemer, Rt. 1, New Ulm, Minn.; Lyman McKee, Rt. 2, Madison, Wis.; and Ray Weinheimer, Rt. 2, Highland.

Secretary—Dwight Morris, St. Louis, Mo.

Acting Executive Manager—Harold S. Nelson, San Antonio, Texas.

The Brownsville meeting had been called by America's Dairyland Cooperative, an organization incorporated in Wisconsin to encourage merger discussions among cooperatives. Chairman of the meeting was John Butterbrodt, Rt. 1, Burnett, Wis., who has been serving as acting president of America's Dairyland Cooperative.

The 16 cooperatives which are working on the operating structure for American Milk Producers, Inc., are:

Albion Cooperative Creamery, Albion, Wis.; Antigo Milk Producers Cooperative, Antigo, Wis.; Boyceville Farmers Cooperative, Boyceville, Wis.; Burlington Cooperative Pure Milk Association, Burlington, Wis.; Central Wisconsin Cooperative Dairies, Westfield, Wis.; Coulee Region All Jersey Cooperative, LaCrosse, Wis.; Madison Milk Producers

Cooperative, Madison, Wis.; Mid-America Dairymen, Inc., Kansas City, Mo.; Milk Producers, Incorporated, Dallas, Texas; North Central Dairymen, Inc., Curtis, Wis.; Pure Milk Association, Chicago; Rochester Dairy Cooperative, Rochester, Minn.; Twin City Milk Producers Association, St. Paul, Minn.; Five Star Dairyland Cooperative, New Ulm, Minn.; Pigeon Falls Cooperative Creamery, Pigeon Falls, Wis.; and Turtle Lake Cooperative Creamery, Turtle Lake, Wis.

These cooperatives will form four AMPI regions of approximately equal membership and will include various states.

One region will include southern and central Wisconsin, northern Illinois, northern Indiana and southwestern Michigan. The members of this region will be: Antigo Milk Producers Cooperative, Antigo, Wis.; Coulee Region All Jersey Cooperative, LaCrosse, Wis.; Central Wisconsin Cooperative Dairies, Westfield, Wis.; Pure Milk Assn., Chicago; Madison Milk Producers Cooperative Dairy, Madison, Wis.; Burlington Cooperative Pure Milk Assn., Burlington, Wis.; Albion Cooperative Creamery, Albion, Wis.; and North Central Dairymen, Inc., Curtis, Wis.

## Milk Production Well Over Average

A report of milk production levels attained by dairy cows in the area has been received from Holstein-Friesian Association of America. The actual food production output, recorded in the DHIR program, by these local Registered Holsteins is:

Amestead Mapleann Diana 6305887, a three-year-old, produced 17,040 lbs. of milk and 669 lbs. of butterfat in 311 days; Amestead Mapleann Odette 6717016, a two-year-old, had 15,090 lbs. of milk and 627 lbs. of butterfat in 363 days; Amestead II A C Jenny 6717003, a two-year-old, had 15,040 lbs. of milk and 587 lbs. of butterfat in 305 days. All are owned by Alfred H. Ames, Zion.

These new production figures may be compared to the estimated annual output of 8,821 lbs. (4,103 quarts) of milk and 325 lbs. of butterfat by the average dairy cow, notes the National Holstein Association.

The Loyton, Calif., Booster, proposes: "Welfare costs to taxpayers could be drastically reduced, some quarters claim, if names of those who receive public charity were made public. The thought behind that is that some would be ashamed to have it known they were feeding at the public trough at the expense of their neighbors."

Cooperative Dairy, Madison, Wis.; Mid-America Dairymen, Inc., Kansas City, Mo.; Milk Producers, Incorporated, Dallas, Texas; North Central Dairymen, Inc., Curtis, Wis.; Pure Milk Association, Chicago; Rochester Dairy Cooperative, Rochester, Minn.; Twin City Milk Producers Association, St. Paul, Minn.; Five Star Dairyland Cooperative, New Ulm, Minn.; Pigeon Falls Cooperative Creamery, Pigeon Falls, Wis.; and Turtle Lake Cooperative Creamery, Turtle Lake, Wis.

These cooperatives will form four AMPI regions of approximately equal membership and will include various states.

One region will include southern and central Wisconsin, northern Illinois, northern Indiana and southwestern Michigan. The members of this region will be: Antigo Milk Producers Cooperative, Antigo, Wis.; Coulee Region All Jersey Cooperative, LaCrosse, Wis.; Central Wisconsin Cooperative Dairies, Westfield, Wis.; Pure Milk Assn., Chicago; Madison Milk Producers Cooperative Dairy, Madison, Wis.; Burlington Cooperative Pure Milk Assn., Burlington, Wis.; Albion Cooperative Creamery, Albion, Wis.; and North Central Dairymen, Inc., Curtis, Wis.

## Winners Named By NI-Gas

Three area high school students were selected winners March 22, in the regional contest of the Penny Flame Home Economics Awards Program, sponsored by Northern Illinois Gas Company. The competition was held at Marinet's Restaurant in Crystal Lake.

Named as co-winners on the senior level of the program were Julia L. Miles, 17, of Belvidere High School, and Susan E. Wells, 17, of Harvard Community High School. In addition, Connie L. Read, 14, of Clinton Rosette Middle School was named the junior level winner.

The three girls now will compete with other home economics students from all over northern Illinois in the final competition on April 19 in the utility's general office near Aurora. Senior level contestants are vying for college scholarships of \$1,000 or \$300 and junior level contestants are competing for monetary awards of \$200 and \$100. Other awards in the program include engraved trophies for each contestant and their school and an overnight trip to Springfield and New Salem.

Each contestant entered in the program is sponsored by her school home economics teacher. They are selected on the basis of their home economics proficiency and academic accomplishment, as well as a food preparation project—baking a two-crust cherry pie. In addition, all contestants are required to write an essay and take a 20-minute "Home Economics Quiz" to test their knowledge of general home economics principles.

Julia is the daughter of Mr. and Mrs. Forrest Miles, 400 West Huribut Avenue, Belvidere. She is a senior student of Mrs. Marylee Frank.

Susan is the daughter of Mr. and Mrs. Stuart Wells, 1516 Route 23, Harvard. Her home economics teacher and sponsor in the Penny Flame program is Miss Nancy Bratton.

The junior level winner, Connie, is the daughter of Mr. and Mrs. Percy Read, 620 North 13th St., DeKalb. She also was sponsored by her home economics teacher, Mrs. Carolyn Pritchett.

In the regional competition as well as in the final competition, the contestants are judged by professional home economists.

## Kenosha Area Students To Get Shots

The Kenosha County Nurse wishes to alert parents of county children that the second week of Spring immunization clinics will begin on Monday, April 14. Kenosha county children can receive their immunizations between 9:00 a.m. and 10:30 a.m. at the following clinic centers:

Monday, April 14—Paris Consolidated School.  
Tuesday, April 15—Randall Consolidated School.  
Wednesday, April 16—Prairie Lane School.  
Thursday, April 17—Somers Elementary School.  
Friday, April 18—Salem Consolidated School.

Measles vaccine is available at the county clinics now. One injection of measles vaccine is all that is necessary for immunization. Children between the ages of 1 year through 12 years are eligible if they were not previously immunized with measles vaccine or if they have not had the disease.

If a child receives measles vaccine he cannot receive any other immunization at the same time. If a child is receiving D.P.T. (diphtheria, pertussis, tetanus) primary series (three doses one month apart) he or she cannot receive the measles vaccine. If a child is receiving D.T. (diphtheria-tetanus) primary series (2 doses one month apart) he or she may receive measles vaccine at the May 12th week of clinics, provided they are not receiving the primary series of polio vaccine.

If parents are confused as to

how to proceed in completing their children's immunizations they should phone the Office of the County Nurse, 652-4957.

For the past twelve years, NI-Gas has sponsored this home economics awards program to give recognition to outstanding high school students and to encourage more young women and men to major in this field. The program is conducted in co-operation with the Illinois High School Association and the Elementary School Association.

## Per Pupil Cost High In Illinois

Illinois' estimated \$742 current expenditure per pupil in average daily attendance for the 1968-69 school year is \$62 or 9 per cent higher than the U. S. average of \$680 per pupil, the Taxpayers' Federation of Illinois noted today.

These estimates, made by the National Education Association Research Division, show that per pupil estimated spending makes New York the leader with \$1140 per pupil in average daily attendance. The State of New Jersey is next with \$913, followed by the District of Columbia with \$880, Connecticut \$826, Oregon \$783, Wisconsin \$787, Maryland \$775, Rhode Island \$756, Delaware \$745, Pennsylvania \$743, and Illinois \$742.

The National Education Association includes the following costs in determining such per pupil estimates: amounts paid for general control, instructional service, operation, maintenance, fixed charges, and other school services at all levels of administration—State, intermediate and basic local. Also included are governmental contributions to the retirement fund and expenditures for school services, including at-

more pupils than does New York, but New York's estimated current expenditure is \$443 or 63.6 per cent higher than California's \$897 per pupil current expenditure. When compared with the five States ranking below New York and each educating more than 2,000,000 pupils annually, Illinois' estimated current expenditure of \$742 per pupil in average daily attendance ranks favorably.

THE ANTIOCH NEWS—5  
THURSDAY, APRIL 10, 1969

tendance, health services, transportation, food services and others.

Six states are each presently educating in excess of two million students in average daily attendance, and these six states and their 1968-69 estimated per pupil spending are as follows:

New York	\$1140
Pennsylvania	743
Illinois	742
California	687
Ohio	634
Texas	480

California educates 1,130,000

more pupils than does New York, but New York's estimated current expenditure is \$443 or 63.6 per cent higher than California's \$897 per pupil current expenditure. When compared with the five States ranking below New York and each educating more than 2,000,000 pupils annually, Illinois' estimated current expenditure of \$742 per pupil in average daily attendance ranks favorably.

## How long will an electric heating system last?

## The odds are—It'll last as long as the house.

You see—electric heating is for people who don't like replacing furnaces every ten or fifteen years. For people who like uncluttered basements. For people who like clean, even heat with precise comfort control.

O.K. all you people. Pick up your telephone and call our nearest office for more information on the one heating system that lasts for ages—it's electric.

## Traffic Deaths Exceed 55,000

"In 1968 traffic deaths in the nation exceeded the 55 thousand mark for the first time. From this we are forced to conclude that American motorists are not operating at their peak efficiency," Jerry Klebe, Executive Director of the Lake County Safety Commission said today. He further pointed out that 85 per cent of the accidents are the result of driving errors.

Most of the 100 million drivers on the road today have not had formal driver training of any kind. Driver education in the high schools has proven its worth by reducing the accidents involving trained young people by at least one half. It seems logical to conclude that similar results could be obtained from training adults.

It has been found that all two-car accidents result from at least one or more of six basic situations: (1) the car ahead of you; (2) the car behind you; (3) the car approaching from the opposite direction; (4) the car approaching from an angle at an intersection; (5) the car passing you; and (6) the car you are passing. The only other kind of accident is the single vehicle (mystery) crash, where the driver loses control, leaves the roadway and crashes into some object or overturns.

Since many adults will have to take a driver's examination during the next year, Klebe suggests that local organizations or agencies, industrial plants, or commercial establishments investigate the possibility of conducting a driver improvement course by writing to the National Safety Council, 425 N. Michigan Ave., Chicago, Ill. 60611, for full information.

## DEATH NOTICES

### CLIFFORD L. BARTLETT

Clifford L. Bartlett, 39 years old of 150 Oak Knoll Drive, Lake Villa, passed away at 10:15 a.m. on Thursday, April 3, in Victory Memorial Hospital. He was born Nov. 5, 1929 in Waukegan, Ill., and lived at Lake Villa all of his life. He had served in the U. S. Navy.

He was a member of the Lake Villa V.F.W. Post No. 4308, the Lake Villa Fire Department, and the Lake Villa Community Methodist Church, and a Village Trustee of Lake Villa.

Mr. Bartlett has been employed as a machinist with Johnson Motors for 10½ years. He married Enid Karolius on July 23, 1954 at Lake Villa.

Survivors are his wife, Enid; one son, Scott; two daughters, Suzanne and Sandra, all at home, his parents, Fred and Matilda Bartlett, of Lake Villa; one sister, Mrs. Betty (Bernard) Schneider, of Lake Villa; three brothers, Raymond and Fred Bartlett, Jr., both of Lake Villa, and Robert Bartlett, of Washington, D.C.

Funeral services were held at 1:00 p.m. Saturday at the Strang Funeral Home in Antioch, the Rev. Bruce Jones of the Lake Villa Community Methodist Church officiating. Interment was in Angola Cemetery at Lake Villa.

### CHARLES H. CASHMORE

Charles H. Cashmore, 90 years old of Chicago Avenue at Wadsworth, Ill., passed away at 8:15 a.m. Sunday, April 6th, in Victory Memorial Hospital after a 6 week illness.

He was born October 11, 1878 in Wadsworth, the son of Jonathan and Sara Cashmore. Mr. Cashmore had lived in Wadsworth all of his life. He was a 50 year member of the Millburn Masonic Lodge No. 127 A.F. & A.M. and the Millburn Chapter No. 570 Order of the Eastern Star. He was a retired building contractor, and is one of the men who helped build the present Millburn Congregational Church.

His parents moved to Wadsworth in 1873 where they operated a brick yard for many years. He was preceded in death by five sisters, Mrs. Mary Shields, Mrs. Carrie Bell, Mrs. Catherine Sherwood, Mrs. Sarah Murrie, and Mrs. Emma McNamara, and four brothers, George, Fred, William, and John Cashmore.

Survivors are his wife, Martha (nee Leable) Cashmore, one son Harold E. Cashmore, of Wadsworth, two daughters, Mrs. Leona (Claus) Junge, of Round Lake, Mrs. Sophronia (Charles) Nihan of Belvidere, Ill., one brother, Arthur Cashmore of Wauconda, Ill., 6 grandchildren and two great grandchildren.

Funeral services were held at 1:30 p.m. Wednesday at the Strang Funeral Home in Antioch. The Rev. L. H. Messersmith of the Millburn Congregational Church officiated. Interment was in Millburn Cemetery. Memorials may be given to the Building Fund of the Millburn Congregational Church.

## Lindenhurst News

By Mrs. Bernice Bernau

### PANCAKE BREAKFAST

The Lake Villa Township Junior Baseball League is sponsoring their annual Pancake and Sausage Breakfast Sunday, April 20, at the B. J. Hooper School on Sand Lake and Beck roads, in Lindenhurst. Breakfast will be served from 7:00 a.m. till 1:00 p.m. Donation for adults is \$1.00 and 50¢ for children. Your help is needed to support the Township Junior Baseball League, which makes it possible for the boys to play baseball.

The day is also Registration day for all boys, 8 through 15 years of age, who are going to play baseball. The cost to register is \$6.00 per boy and \$15 for three or more boys in one family. All boys interested in playing American Legion Baseball, may also register on this day.

For more information call Joe Ziaja, 356-2604.

### CARD PARTY

The Altar and Rosary Sodality of Prince of Peace Church is holding its annual Spring Card Party at the church on Wednesday, April 16, starting at 8 p.m. Donation of \$1.25 includes refreshments.

Anyone having prizes or grab bag articles should contact either Jennie Volpentesta at 356-7685 or Carol Easley at 356-5681.

Thanks to Prince of Peace Altar and Rosary Sodality, 100 Joram rubber ducks were made for the girls of M.L. Joseph by Mrs. Volpentesta, Mrs. Pat Mauck, Mrs. Betty Coolidge, Mrs. Huber and Mrs. Pat Rickey. Also one hundred bars of soap were donated to go with the little ducks. Sister Rosetta sent her warm thanks to the Sodality members in behalf of herself and her girls.

### NEW BABY

Mr. and Mrs. Chet (LaVerne) Forrester of 2318 E. Rolling Ridge, welcomed their second daughter and third child at Victory Memorial Hospital on April 3. Baby Lisa LaVerne weighed 5 lbs 1½ ounces at birth. Her brother Jimmy was 7 years old March 16, and sister Karen will be 6 years old May 26.

### HOSPITAL PATIENT

Mrs. Howard (Lillian) Sorenson of Monaville Road suffered a mild heart attack on March 24. Two days later she was taken to St. Therese Hospital when she became worse.

(Continued from page one)  
polling place.

Grass Lake School District voters will vote at the school for two newcomers who are unopposed for the two board posts to be filled.

Henry J. Nohava and John L. Steitz, Jr., are the only candidates for the posts now filled by Robert Hart and Betty Brown, neither of whom is seeking reelection.

The chambered nautilus lives in rather deep waters of the Pacific and Indian oceans. Consequently very few people have ever seen the living creature.

## United Fund Chairmen Are Named

Dr. Ralph F. Anderson, vice president of International Minerals and Chemical Corp., and the 1969 United Community Services of Lake County Vice President of Budgeting announced the appointment of four Budget Chairmen.

These chairmen will recruit a budget review panel which will review each United Fund agency budget on a line by line basis.

William Sherman of R. C. Sherman Insurance Co. and his panel will review Family and Casework agencies.

Mrs. Hannah Price, a North Chicago housewife, will head the panel for the review of group work and character-building services.

John Leahy, Manager Hospital Contract Sales, Abbott Laboratories and his panel will review the health service agencies.

Jack Fabry, President, Local 32, United States Steel Workers, will chair the panel on Day Care and special service agencies.

## Watershed Committee Is Named

A Des Plaines River Watershed steering committee was named at the second DesPlaines River Watershed information meeting. The meeting was held at the Bristol School on March 17.

The steering committee will study the problems of the Kenosha and Racine County portions of the watershed and consider the preparation of an application for Public Law No. 566 assistance.

The first meeting of the steering committee was held at the Bristol Town Hall on Monday night, March 31, at 7:30.

The persons named to the steering committee and the areas they represent are as follows: Leo Welker, Ernest Zinser, Larry Olson and Robert Daniels, Brighton;

Chester Davis, Orville Price, Lester Biehn and Arnulf Nielsen, Paris;

Andrew Revers, Charles Ling and George Winfield, Bristol;

Ed Holter, Gus Krans, John Kevik, and Joe Soens, Pleasant Prairie; and Ray DeMuynek will represent Racine County.

Others will be named later to represent Somers, Salem, and Paddock Lake.

The provisions of Public Law 566, which was passed by Congress in 1954 to alleviate watershed flooding and agricultural drainage problems, were discussed by Don Neindorf, Conservation Education Specialist, Manitowoc, and G. J. "Cap" Barber, Madison, Watershed Engineer. Both represent the Wisconsin Soil Conservation Board.

Al Erdman, Kenosha Soil Conservationist, illustrated some of the problems of flooding and inadequate drainage through the use of slides.

Paul Jaeger, Kenosha Agribusiness agent, briefly reviewed the long history of DesPlaines River problems and some efforts that had been made earlier to correct the problems.

## Scholarships For 4-Hers Available

High school June graduates who plan to study forestry, plant or biological sciences in college may have a chance for a scholarship if they are or were 4-H Club members.

Four \$1,600 scholarships will be awarded to students majoring or minoring in forestry. The grants will be provided by Homelite, a Division of Textron, Inc. Candidates must have completed at least three years of 4-H work and be enrolled in their freshman year at an accredited college in the Fall of 1969.

Two \$800 crop protection-crop production scholarship will be offered by Chevron Chemical Company - Ortho Division, to students with a major or minor in the plant or biological sciences.

Applicants for the \$800 scholarships must have completed one year of 4-H work and be a college freshman this Fall.

Both Homelite and Chevron Chemical have provided 4-H scholarships for 13 straight years, through the 4-H scholarship fund arranged by the National 4-H Service Committee, Chicago.

Scholarship applications should be submitted to the State 4-H Office. High school grade transcripts must accompany the application.

Final judging of scholastic and 4-H records will be done by a committee of extension personnel meeting in Chicago early in November. Winners will be announced during the National 4-H Congress held there November 30-December 4.

For further details, contact the State 4-H Leader or the 4-H Office of the County Extension Service.

## Mental Health Group Shifts Assignments

The Executive and Personnel Committees of the Lake County Mental Health Center met Wednesday evening, March 26, to consider organizational changes necessitated by the resignation of Gabriel J. Popovich, former Executive Director, announced the Rev. Delbert Schrag, Chairman of the Center Management Committee.

The staff of the Mental Health Center was recently structured

along departmental lines representing the major disciplines: psychiatry, psychology and social work. Each department head has been asked to carry on on an interim basis until necessary additional staff members are obtained.

Medical responsibility, including patient treatment, rests with Thomas N. Davis, M.D., Acting Medical Director. Dr. Davis received his medical degree from the University of Virginia. He had training in psychiatry at the University of Illinois and the Illinois Mental Health Department. He was medical director at the Stickney Mental Health Center in Berwyn, Illinois.

The psychology department is under the direction of John A. Slezmore, Acting Chief, who has experience in psychological counseling and is also an ordained minister. He has a master's degree in Philosophy of Religion and is working toward a doctorate in psychology at the University of Wisconsin.

Mrs. S. Helen Baldwin, Chief of the Social Work Department is a recent staff addition who brings several years experience to this position. Just prior to coming to Lake County, she was district supervisor in the Racine, Wis., branch of the Lutheran Social Services. Most of her experience has been in agencies serving children.

The current situation will only slightly affect the services available at the Center. Patient intake was temporarily closed for two weeks only to permit reassignment of the caseloads. Patient intake was reopened on March 17 for all persons 13 years of age and older.

The shortage of staff members who are skilled in the diagnosis and treatment of children requires temporary suspension of services for this age group at this time, with the exception of

clinical emergencies, Dr. Davis stated.

Emergency patients will continue to be accepted, a policy which has not changed and every effort will be made to reopen intake for children as soon as possible, Rev. Schrag emphasized.

Recruitment activities are underway to obtain the personnel needed according to Mrs. Lawrence Kaski, Administrative Assistant and Business Manager and Donald T. Asher, Chairman of the Personnel Committee.

The Center Management Department of the Lake County Mental Health Society consists of 12 representatives appointed from the Society Board and three representatives from the Lake Co. Medical Society. It is charged with the responsibility for operating the Mental Health Center which was opened in 1957 as a result of efforts of the Lake County Mental Health Society and other interested organizations. In addition to continuing financial responsibility for the Center, the Society has its aim, charitable, scientific, and educational activities leading to promotion and conservation of mental health.

The Project's Board of Directors gave final authorization to the advertising campaign after meeting with William L. Rutherford, director of the state conservation department, to discuss plans for the public appeal.

Rutherford previously announced the state's agreement to purchase 1,400 acres of Goose Lake Prairie for \$2,086,000, and asked the Project to coordinate the drive to raise \$600,000 in private donations to supplement state and federal funds in the purchase of the land.

The first full-page advertisement appeared March 24 in a Chicago daily newspaper. The ad stated: "The Prairie State is a little short on Prairie this year. Forever."

"Over the years, the Illinois prairie has been disappearing. Ten million acres of tough, deep-rooted land has been built on or plowed under until the largest remaining piece is 1,700 acres, at Goose Lake Prairie on Chicago's doorstep."

Approximately \$320,000 of this sum now has been raised, and the Open Lands Project is coordinating efforts by a score of different conservation organizations to raise the remaining funds needed.

"The way some people look at it, all that's at stake are a few plants and other living things that might grow anywhere. Only they don't. After eight thousand years on the Prairie, this is home."

"So your help is needed. This Prairie should belong to plants and animals and people, not factories. You can keep it as a place to be studied and enjoyed by making out a check to Goose Lake Prairie Fund and sending it to the Open Lands Project."

The Project offices are at 53

# Open Fund Drive For Goose Lake

The Open Lands Project recently announced the beginning of a statewide advertising campaign to ask the general public for funds to help save Goose Lake Prairie.

The Project's Board of Directors gave final authorization to the advertising campaign after meeting with William L. Rutherford, director of the state conservation department, to discuss plans for the public appeal.

Rutherford previously announced the state's agreement to purchase 1,400 acres of Goose Lake Prairie for \$2,086,000, and asked the Project to coordinate the drive to raise \$600,000 in private donations to supplement state and federal funds in the purchase of the land.

The first full-page advertisement appeared March 24 in a Chicago daily newspaper. The ad stated: "The Prairie State is a little short on Prairie this year. Forever."

"Over the years, the Illinois prairie has been disappearing. Ten million acres of tough, deep-rooted land has been built on or plowed under until the largest remaining piece is 1,700 acres, at Goose Lake Prairie on Chicago's doorstep."

Approximately \$320,000 of this sum now has been raised, and the Open Lands Project is coordinating efforts by a score of different conservation organizations to raise the remaining funds needed.

"The way some people look at it, all that's at stake are a few plants and other living things that might grow anywhere. Only they don't. After eight thousand years on the Prairie, this is home."

"So your help is needed. This Prairie should belong to plants and animals and people, not factories. You can keep it as a place to be studied and enjoyed by making out a check to Goose Lake Prairie Fund and sending it to the Open Lands Project."

The Project offices are at 53

West Jackson Blvd., Chicago, Ill. 60604. All contributions should be clearly marked "Goose Lake Prairie Fund."

A special trust account was created for this purpose and all funds received will be directly employed for the purchase of Goose Lake Prairie.

The Open Lands Project receives no administrative fees or any other form of income from the Goose Lake Prairie campaign.

Your Progressive Party candidates have put together a progressive program that will be initiated in Antioch with the election of the slate. It includes:

- A street improvement program that would ultimately end up with permanent resurfacing for residential areas.
- An adequate street lighting program for the Oakwood Knolls area.
- A push for public housing for senior citizens.
- A program to clean up the rusty water in the village.
- A move to entice industry into the area.
- A program of planned annexation of land to the village so that the village may grow and prosper.
- A thorough study of the wages of village employees and an effort to bring them in line with today's standards.

THE ANTIOCH NEWS

## Speedway Introduces Asphalt Race Surface

Waukegan — Auto racing fans will have their first chance to see all out competition on Waukegan Speedway's new asphalt surface this coming weekend. Late model super stock cars will be in the spotlight starting April 12 and 13. This Saturday and Sunday night schedule will continue into September. Time trial runs begin at 7:15 with the first race at 8 p.m. both nights.

A large turnout is expected for the opening nights, both of participants and spectators. The track has a 24 hour telephone service in operation at 312-662-8200 to answer questions concerning the weather and the upcoming schedule.

Clouds of dust and dirt have flown over the Waukegan oval for some 20 years, but starting Saturday the competition will send white clouds of smoke skyward as the racing tires claw against the asphalt. Promoter Gordon Sill installed the dust-free black-top last November.

The asphalt varies from five to seven inches in thickness around the one-quarter mile track. At the same time the track was widened and the banking increased.

The opening week's competition will be especially stiff since no other area track will be open. Defending champion Jim Cossman and runner-up Al Hagerty can expect to have their skills well tested as a number of well known asphalt drivers from the Chicago, Gary and Rockford areas plan to be on hand for the inaugural events.

A field of over 30 late model super stocks are expected to enter both nights and the track record book is sure to be rewritten after this weekend.

Also included in the schedule is hobby stock car racing. This division features the older and much less expensive cars in slambang action. Among the entries here are three women: Cora Morton, June Turner, and Cheryl Pasky.

Much work has already been put into the racing facility since the close of last season and the crews will be working overtime in the remaining days to assure the best opening night in track history.

Mike Wolff, of Lake Villa, will be driving a late model Super Sport in Waukegan Speedway competition Saturday and Sunday.

High School presented a display—"Science in Home Economics"—in coordination with the regular science fair. The purpose of this was to give the viewing public the correct interpretation of Home Economics. This is developing the scientific approach in Home Economics rather than the basic skills. This is an approach towards the new curriculum that has been set up by the state of Wisconsin.

There was a total of six divisions: Textiles, Clothing, Nutrition, Foods, Housing, and Family Living. The Grand Champion winners were Sharon Voelklings and Pam Wagner. Their project was entitled "Scientific Kitchen Planning". First place winner in the Housing Division was Rita Bohn. Second place was awarded to Marilyn Ward and Susan Mueller. In the textile division Peg Amato and Karen Daniels received a first.

Second place winners in the remaining divisions were: Gail Johnson, Gloria Klemp, Joyce Jester, and Dorothy Uhlenhake. All exhibits were judged on thoroughness, skill, and beauty. Experiments were Mrs. Jean Carlson and Mrs. Roberta Schmeck, teachers at Central High School.

### STYLE SHOW

The Style Show to be presented on April 22 at 7:30 p.m. at Central High School will have the following committees working on the success of the project.

General Chairman—Mrs. Sigmond Kolano

## Set Lessons For Salmon Fishermen

The Chicago Park District is sponsoring clinics for coho fishermen beginning April 21. Directing the clinics will be Bill Cullerton, internationally famous sport fisherman and member of the Fishing Hall of Fame, and Ralph Brown, former Illinois State Champion Tournament angler.

These classes are being held in preparation for the Coho Fishing Derby on April 26 and 27 at Montrose Beach Pier, also sponsored by the Chicago Park District. The program will be held in the gymnasium of various parks and will consist of instruction in pier fishing, proper tackle, safety procedures and boatmanship. In Mr. Cullerton's words, "These clinics and the derby are for the land bound fisherman who has only been able to go after perch and smelt. We're going to show them how to catch coho."

The time for all the clinics will be from 7:00 p.m. to 10:00 p.m. at the following locations:

April 21—Columbus Park, 500 S. Central Avenue

April 22—Mt. Greenwood Park, 3711 W. 111th Street.

April 23—Lake Shore Park, 808 N. Lake Shore Drive

April 24—Margate Park, 4931 Marine Drive.

## IRA Modified Slates Heavy Race Program

The Interstate Racing Association of super-fast modifieds will open its 1969 season at the Kenosha County Speedway at Wilmet, Wis., Saturday, May 24.

IRA President Ray Toft met with the Kenosha County Fair Officials and largely because of the success of this group in its initial year of operations during 1968, an expanded schedule has been approved.

In May, following the opening

## Army Officers School Offers Rugged Training

Last year, 8,266 college graduates entered the United States Army with the intention of becoming officers. Equipped with college diplomas and all the benefits an affluent society could provide, they were an impressive group.

Most of these young men were successful in their search for a commission or are in the final stages of training to receive their gold bars. In classes with them were a group of high school graduates who had been selected carefully for intelligence and potential leadership qualities from the ranks of regular soldiers.

Make no mistake about the difficulty of the course they completed. It was designed by experts to measure them as men who were destined to lead other

men under the most rugged conditions. It began with eight weeks of basic combat training followed by another eight rugged weeks of advanced individual training, which refined the skills the soldier learned in basic. Both courses placed heavy emphasis on physical conditioning as well as intensive attention to the broad range of knowledge a soldier needs. They learned to march, to fire the weapons today's soldier has at his command and to take care of themselves under any conditions, in garrison or in the field.

Basic and advanced training, however, are designed to train the individual to follow in preparation for teaching him to lead. From the moment he hits the front gate at his officer candidate school the emphasis is on how to command. It is no easy task. Leadership skills are not inborn but are developed.

Young Americans have responded. New officers who are the product of OCS are sharp, keen and as well qualified as any this country has had. A look at the cross-section of any OCS class reveals academic degrees in a bewildering variety of subjects from astronomy to zoology. Most of these have an application in the broad band of Army skills.

For further information on how to become an officer candidate, those interested should see Sgt. McCloskey, local Army counselor at 620½ Washington St., Waukegan, Illinois.

## Auto Racing Waukegan Speedway

## AMERICAN BOWLING CONGRESS CHAMPIONSHIPS

MADISON, WISCONSIN

1969

ANTIOCH BOWLING LANES TEAM would like to forget about the team event, but in the singles and doubles all fared well. From left to right, Mickey Harr, Gino Pecchetti, Glenn Jobey, Roger Stratton, Marty Padjen, and Joe Sterbenz.

## Youth Baseball Registration Deadline Set

Antioch area youngsters who want to participate in the Little League or Babe Ruth League programs this year are reminded that the deadline for registering is Saturday, April 12.

Registrations will be taken

from 9 a.m. to 12 noon and from 1 p.m. to 4 p.m. at the Scout House on Main St.

A registration fee of \$4 for Little League boys ages 8 through 12 and \$5 for Babe Ruth Leaguers ages 12 through 15 must be paid at the time of registration.

An expanded program is planned for this summer with the largest number of boys ever to compete in the youth leagues taking part.

## Wrestling Citation To Craig Patterson

Craig Patterson, a Monmouth College freshman from Antioch, recently received a Wee Scot citation for his participation on the Monmouth College freshman wrestling team.

Craig is the son of Mrs. Anita Patterson of R.R. 3, Box 683.

It's easy to place a classification—Just dial 395-4111.

## Traffic Deaths Exceed 55,000

"In 1968 traffic deaths in the nation exceeded the 55 thousand mark for the first time. From this we are forced to conclude that American motorists are not operating at their peak efficiency," Jerry Klebe, Executive Director of the Lake County Safety Commission said today. He further pointed out that 85 per cent of the accidents are the result of driving errors.

Most of the 100 million drivers on the road today have not had formal driver training of any kind. Driver education in the high schools has proven its worth by reducing the accidents involving trained young people by at least one half. It seems logical to conclude that similar results could be obtained from training adults.

It has been found that all two-car accidents result from at least one or more of six basic situations: (1) the car ahead of you; (2) the car behind you; (3) the car approaching from the opposite direction; (4) the car approaching from an angle at an intersection; (5) the car passing you; and (6) the car you are passing. The only other kind of accident is the single vehicle (mystery) crash, where the driver loses control, leaves the roadway and crashes into some object or overturns.

Since many adults will have to take a driver's examination during the next year, Klebe suggests that local organizations or agencies, industrial plants, or commercial establishments investigate the possibility of conducting a driver improvement course by writing to the National Safety Council, 425 N. Michigan Ave., Chicago, Ill. 60611, for full information.

## DEATH NOTICES

### CLIFFORD L. BARTLETT

Clifford L. Bartlett, 39 years old of 150 Oak Knoll Drive, Lake Villa, passed away at 10:15 a.m. on Thursday, April 3, in Victory Memorial Hospital. He was born Nov. 5, 1929 in Waukegan, Ill., and lived at Lake Villa all of his life. He had served in the U. S. Navy.

He was a member of the Lake Villa V.F.W. Post No. 4308, the Lake Villa Fire Department, and the Lake Villa Community Methodist Church, and a Village Trustee of Lake Villa.

Mr. Bartlett has been employed as a machinist with Johnson Motors for 10 1/2 years. He married Enid Karolius on July 23, 1954 at Lake Villa.

Survivors are his wife, Enid, one son, Scott; two daughters, Suzanne and Sandra, all at home, his parents, Fred and Matilda Bartlett, of Lake Villa; one sister, Mrs. Betty (Bernard) Schneider, of Lake Villa; three brothers, Raymond and Fred Bartlett, Jr., both of Lake Villa, and Robert Bartlett, of Washington, D.C.

Funeral services were held at 1:00 p.m. Saturday at the Strang Funeral Home in Antioch, the Rev. Bruce James of the Lake Villa Community Methodist Church officiating. Interment was in Angola Cemetery at Lake Villa.

### CHARLES H. CASHMORE

Charles H. Cashmore, 90 years old of Chicago Avenue at Wadsworth, Ill., passed away at 3:15 a.m. Sunday, April 6th, in Victory Memorial Hospital after a 6 week illness.

He was born October 11, 1878 in Wadsworth, the son of Jonathan and Sara Cashmore. Mr. Cashmore had lived in Wadsworth all of his life. He was a 50 year member of the Millburn Masonic Lodge No. 127 A.F. & A.M. and the Millburn Chapter No. 570 Order of the Eastern Star. He was a retired building contractor, and is one of the men who helped build the present Millburn Congregational Church.

His parents moved to Wadsworth in 1873 where they operated a brick yard for many years. He was preceded in death by five sisters, Mrs. Mary Shields, Mrs. Carrie Bell, Mrs. Catherine Sherwood, Mrs. Sarah Murrie, and Mrs. Emma McNamara, and four brothers, George, Fred, William, and John Cashmore.

Survivors are his wife, Martha (nee Leable) Cashmore, one son Harold E. Cashmore, of Wadsworth, two daughters, Mrs. Leona (Claus) Junge, of Round Lake, Mrs. Sophronia (Charles) Nihan of Belvidere, Ill., one brother, Arthur Cashmore of Wauconda, Ill., 6 grandchildren and two great grandchildren.

Funeral services were held at 1:30 p.m. Wednesday at the Strang Funeral Home in Antioch. The Rev. L. H. Messersmith of the Millburn Congregational Church officiated. Interment was in Millburn Cemetery.

Memorials may be given to the Building Fund of the Millburn Congregational Church.

## Lindenhurst News

By Mrs. Bernalce Bernau  
356-5649

### PANCAKE BREAKFAST

The Lake Villa Township Junior Baseball League is sponsoring their annual Pancake and Sausage Breakfast Sunday, April 20, at the B. J. Hooper School on Sand Lake and Beck roads, in Lindenhurst. Breakfast will be served from 7:00 a.m. till 1:00 p.m. Donation for adults is \$1.00 and 50c for children. Your help is needed to support the Township Junior Baseball League, which makes it possible for the boys to play baseball.

The day is also Registration day for all boys, 8 through 15 years of age, who are going to play baseball. The cost to register is \$6.00 per boy and \$15 for three or more boys in one family. All boys interested in playing American Legion Baseball, may also register on this day.

For more information call Joe Ziaga, 356-2604.

### CARD PARTY

The Altar and Rosary Sodality of Prince of Peace Church is holding its annual Spring Card Party at the church on Wednesday, April 16, starting at 8 p.m. Donation of \$1.25 includes refreshments.

Anyone having prizes or grab bag articles should contact either Jennie Volpentesta at 356-7685 or Carol Easley at 356-5861.

Thanks to Prince of Peace Altar and Rosary Sodality, 100 Joram rubber ducks were made for the girls of Mt. Joseph by Mrs. Volpentesta. Mrs. Pat Mauck, Mrs. Betty Coolidge, Mrs. Huber and Mrs. Pat Riekey. Also one hundred bars of soap were donated to go with the little ducks. Sister Rosetta sent her warm thanks to the Sodality members in behalf of herself and her girls.

### NEW BABY

Mr. and Mrs. Chet (LaVerne) Forrester of 2318 E. Rolling Ridge welcomed their second daughter and third child at Victory Memorial Hospital on April 3. Baby Lisa LaVerne weighed 5 lbs 1 1/2 ounces at birth. Her brother Jimmy was 7 years old March 16, and sister Karen will be 6 years old May 26.

### HOSPITAL PATIENT

Mrs. Howard (Lillian) Sorenson of Monaville Road suffered a mild heart attack on March 24. Two days later she was taken to St. Theresa Hospital when she became worse.

## Drummond Reports

(Continued from page one)  
use plan of 1961, a highway plan and community shelter plan, the commission has prepared formal policy statements on various aspects of county development.

Drummond told his audience, "The development practices of ten years ago are no longer adequate. The scarcity of money and land, and a changing style of life demand a more efficient, complete, and satisfying use of space in residential areas. One way in which we can achieve this is through a fuller participation in the planning of new developments."

## Grade, High.....

(Continued from page one)  
polling place.

Grass Lake School District voters will vote at the school for two newcomers who are opposed for the two board posts to be filled.

Henry J. Nohava and John L. Steitz, Jr., are the only candidates for the posts now filled by Robert Hart and Betty Brown, neither of whom is seeking reelection.

The chambered nautilus lives in rather deep waters of the Pacific and Indian oceans. Consequently very few people have ever seen the living creature.

## United Fund Chairmen Are Named

Dr. Ralph F. Anderson, vice president of International Minerals and Chemical Corp., and the 1969 United Community Services of Lake County Vice President of Budgeting announced the appointment of four Budget Chairmen.

These chairmen will recruit a budget review panel which will review each United Fund agency budget on a line by line basis.

William Sherman of R. C. Sherman Insurance Co. and his panel will review Family and Casework agencies.

Mrs. Hannah Price, a North Chicago housewife, will head the panel for the review of group

## Watershed Committee Is Named

A Des Plaines River Watershed steering committee was named at the second DesPlaines River Watershed information meeting. The meeting was held at the Bristol School on March 17.

The steering committee will study the problems of the Kenosha and Racine County portions of the watershed and consider the preparation of an application for Public Law No. 566 assistance.

The first meeting of the steering committee was held at the Bristol Town Hall on Monday night, March 31, at 7:30.

The persons named to the steering committee and the areas they represent are as follows:

Leo Welker, Ernest Zinser, Larry Olson and Robert Daniels, Brighton;

Chester Davis, Orville Price, Lester Bieh and Arnulf Nielsen, Paris;

Andrew Revers, Charles Ling and George Winfield, Bristol; Ed Holter, Gus Krans, John Kevik, and Joe Soens, Pleasant Prairie; and Ray DeMuyynik will represent Racine County.

Others will be named later to represent Somers, Salem, and Paddock Lake.

The provisions of Public Law 566, which was passed by Congress in 1954 to alleviate watershed flooding and agricultural drainage problems, were discussed by Don Neimdorf, Conservation Specialist, Manitowish, and G. J. "Cap" Barber, Madison, Watershed Engineer. Both represent the Wisconsin Soil Conservation Board.

Al Erdman, Kenosha Soil Conservationist, illustrated some of the problems of flooding and inadequate drainage through the use of slides.

Paul Jaeger, Kenosha Agribusiness agent, briefly reviewed the long history of DesPlaines River problems and some efforts that had been made earlier to correct the problems.

## Scholarships For 4-Hers Available

High school Junior graduates who plan to study forestry, plant or biological sciences in college may have a chance for a scholarship if they are or were 4-H Club members.

Four \$1,600 scholarships will be awarded to students majoring or minoring in forestry. The grants will be provided by Homelite, a Division of Textron, Inc. Candidates must have completed at least three years of 4-H work and be enrolled in their freshman year at an accredited college in the Fall of 1969.

Two \$800 crop protection-crop production scholarship will be offered by Chevron Chemical Company - Ortho Division, to students with a major or minor in the plant or biological sciences. Applicants for the \$800 scholarships must have completed one year of 4-H work and be a college freshman this Fall.

Both Homelite and Chevron Chemical have provided 4-H scholarships for 13 straight years, through the 4-H scholarship fund arranged by the National 4-H Service Committee, Chicago.

Scholarship applications should be submitted to the State 4-H Office. High school grade transcripts must accompany the application.

Final judging of scholastic and 4-H records will be done by a committee of extension personnel meeting in Chicago early in November. Winners will be announced during the National 4-H Congress held there November 30-December 4.

For further details, contact the State 4-H Leader or the 4-H Office of the County Extension Service.

## Mental Health Group Shifts Assignments

The Executive and Personnel Committees of the Lake County Mental Health Center met Wednesday evening, March 26, to consider organizational changes necessitated by the resignation of Gabriel J. Popovich, former Executive Director, announced the Rev. Delbert Schrag, Chairman of the Center Management Committee.

The staff of the Mental Health Center was recently structured

work and character-building services.

John Leahy, Manager Hospital Contract Sales, Abbott Laboratories and his panel will review the health service agencies.

Jack Fabry, President, Local 32, United States Steel Workers, will chair the panel on Day Care and special service agencies.

The United Fund Budget Division will involve 35 volunteers who will spend at least 350 hours reviewing each agency budget to assure that every United Fund dollar is being well spent.

When all of the agencies have been reviewed the Budget Division will compile their totals and this grand total will be the 1969 United Fund Goal.

This will represent the amount which each agency will need to provide services in our county. Last year the United Fund raised \$656,190.

Dr. Anderson pointed out that through the Budget meetings, every donor can be assured that his donation is hard at work giving help, hope and happiness on a year round basis to individuals and families through the work of 26 United Fund agencies.

along departmental lines representing the major disciplines: psychiatry, psychology and social work. Each department head has been asked to carry on an interim basis until necessary additional staff members are obtained.

Medical responsibility, including patient treatment, rests with Thomas N. Davis, M.D., Acting Medical Director. Dr. Davis received his medical degree from the University of Virginia. He had training in psychiatry at the University of Illinois and the Illinois Mental Health Department. He was medical director at the Stekney Mental Health Center in Berwyn, Illinois.

The psychology department is under the direction of John A. Sizemore, Acting Chief, who has experience in psychological counseling and is also an ordained minister. He has a master's degree in Philosophy of Religion and is working toward a doctorate in psychology at the University of Wisconsin.

Mrs. S. Helen Baldwin, Chief of the Social Work Department is a recent staff addition who brings several years experience to this position. Just prior to coming to Lake County, she was district supervisor in the Racine, Wis., branch of the Lutheran Social Services. Most of her experience has been in agencies serving children.

The current situation will only slightly affect the services available at the Center. Patient intake was temporarily closed for two weeks only to permit reassignment of the caseloads. Patient intake was re-opened on March 17 for all persons 13 years of age and older.

The shortage of staff members who are skilled in the diagnosis and treatment of children requires temporary suspension of services for this age group at this time, with the exception of

# Open Fund Drive For Goose Lake

The Open Lands Project recently announced the beginning of a statewide advertising campaign to ask the general public for funds to help save Goose Lake Prairie.

The Project's Board of Directors gave final authorization to the advertising campaign after meeting with William L. Rutherford, director of the state conservation department, to discuss plans for the public appeal.

Rutherford previously announced the state's agreement to purchase 1,400 acres of Goose Lake Prairie for \$2,086,000, and asked the Project to coordinate the drive to raise \$600,000 in private donations to supplement state and federal funds in the purchase of the land.

The first full-page advertisement appeared March 24 in a Chicago daily newspaper. The ad stated: "The Prairie State is a little short on Prairie this year. Forever."

"Over the years, the Illinois prairie has been disappearing. Ten million acres of tough, deep-rooted land has been built on or plowed under until the largest remaining piece is 1,700 acres, at Goose Lake Prairie on Chicago's doorstep."

Approximately \$320,000 of this sum now has been raised, and the Open Lands Project is coordinating efforts by a score of different conservation organizations to raise the remaining funds needed.

"The way some people look at it, all that's at stake are a few plants and other living things that might grow anywhere. Only they don't. After eight thousand years on the Prairie, this is home."

"So your help is needed. This Prairie should belong to plants and animals and people, not factories. You can keep it as a place to be studied and enjoyed by making out a check to Goose Lake Prairie Fund and sending it to the Open Lands Project."

The Project offices are at 53

West Jackson Blvd., Chicago, Ill. 60604. All contributions should be clearly marked "Goose Lake Prairie Fund."

A special trust account was created for this purpose and all funds received will be directly employed for the purchase of Goose Lake Prairie.

The Open Lands Project receives no administrative fees or any other form of income from the Goose Lake Prairie campaign.

Your Progressive Party candidates have put together a progressive program that will be initiated in Antioch with the election of the slate. It includes:

- A street improvement program that would ultimately end up with permanent resurfacing for residential areas.
- An adequate street lighting program for the Oakwood Knolls area.
- A push for public housing for senior citizens.
- A program to clean up the rusty water in the village.
- A move to entice industry into the area.
- A program of planned annexation of land to the village so that the village may grow and prosper.
- A thorough study of the wages of village employees and an effort to bring them in line with today's standards.

THE ANTIOCH NEWS-7

## Speedway Introduces Asphalt Race Surface

Waukegan — Auto racing fans will have their first chance to see all out competition on Waukegan Speedway's new asphalt surface this coming weekend. Late model super stock cars will be in the spotlight starting April 12 and 13. This Saturday and Sunday night schedule will continue into September. Time trial runs begin at 7:15 with the first race at 8 p.m. both nights.

A large turnout is expected for the opening nights, both of participants and spectators. The track has a 24 hour telephone service in operation at 312-662-8200 to answer questions concerning the weather and the upcoming schedule.

Clouds of dust and dirt have flown over the Waukegan oval for some 20 years, but starting Saturday the competition will send white clouds of smoke skyward as the racing tires claw against the asphalt. Promoter Gordon Sill installed the dust-free black-top last November.

The asphalt varies from five to seven inches in thickness around the one-quarter mile track. At the same time the track was widened and the banking increased.

The opening week's competition will be especially stiff since no other area track will be open. Defending champion Jim Cossman and runner-up Al Hagerty can expect to have their skills well tested as a number of well known asphalt drivers from the Chicago, Gary and Rockford areas plan to be on hand for the inaugural events.

A field of over 30 late model super stocks are expected to enter both nights and the track record book is sure to be rewritten after this weekend.

Also included in the schedule is hobby stock car racing. This division features the older and much less expensive cars in slambang action. Among the entries here are three women: Cora Morton, June Turner, and Cheryl Pasky.

Much work has already been put into the racing facility since the close of last season and the crews will be working overtime in the remaining days to assure the best opening night in track history.

## Central High Pupils Excel

Nine of the 18 students from Central High School, Salem, Wis., who went to Whitewater on Saturday for the district forensics contest will move on to the state contest on April 26.

The nine who received an "A" rating were:

Betty Holloway, Mary Zwirsdas, Robin Holm; and Betty Knigge in the various categories. The play "Dandelion Wine" received an "A". Those participating were Rita Terry, Lana Turner, Judy Lichter, Debbie Bowen, and Ed Glas. Mrs. Linda Ransom, forensics coach, accompanied the group to Whitewater.

**MUSIC AWARD**  
Rilla Haugen, a sophomore in the Salem Central High School Band has been selected for membership in the 1970 Wisconsin State Honor Band. She was chosen to play tenor sax. Auditions were held for two weeks at various sites, and were performed by the finest players from high school bands throughout the state.

The band will meet at Green Lake in June for three days of intensive rehearsals under a nationally known guest conductor. They will perform at the state music convention in Madison in January 1970.

Salem also had three students chosen as first alternates for state honor groups. Lisa Lichter, sophomore bassoonist, was selected as a first alternate for band. Jan Hall and Diane Kerkman, both juniors in Central's A Cappella Choir, were chosen as first alternates for the Honors Choir.

**HOME ECONOMICS**  
On March 12, the Home Economics department at Central

Mike Wolff, of Lake Villa, will be driving a late model Super Sport in Waukegan Speedway competition Saturday and Sunday.

High School presented a display—"Science in Home Economics"—in coordination with the regular science fair. The purpose of this was to give the viewing public the correct interpretation of Home Economics. This is developing the scientific approach in Home Economics rather than the basic skills. This is an approach towards the new curriculum that has been set up by the state of Wisconsin.

There was a total of six divisions: Textiles, Clothing, Nutrition, Foods, Housing, and Family Living. The Grand Champion winners were Sharon Voelkiering and Pam Wagner. Their project was entitled "Scientific Kitchen Planning". First place winner in the Housing Division was Rita Bohn. Second place was awarded to Marilyn Ward and Susan Mueller. In the textile division Peg Amato and Karen Daniels received a first.

Second place winners in the remaining divisions were: Gail Johnson, Gloria Kemp, Joyce Jester, and Dorothy Uhlenhake. All exhibits were judged on thoroughness, skill, and beauty. Experiments were Mrs. Jean Carlson and Mrs. Roberta Schmek, teachers at Central High School.

### STYLE SHOW

The Style Show to be presented on April 22 at 7:30 p.m. at Central High School will have the following committees working on the success of the project.

General Chairman—Mrs. Sigmond Kolano  
Models Chairmen—Mrs. John Laubshier, Mrs. Norbert Adams  
Ticket Chairman—Mrs. Russell Price  
Student Ticket—Miss Debbie Price

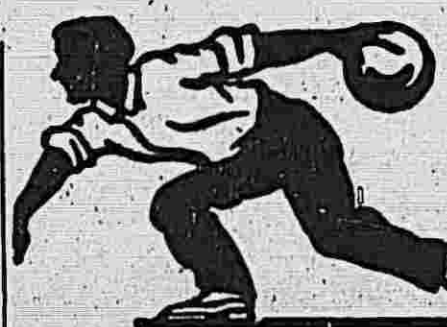

Door Prize Chairman—Mrs. George Vlahakis  
Physical Facilities—Mr. Al Kanta  
Program—Miss Gertrude Schummoeller

Student—Barbara Harris, Donna Haisma  
Refreshments—Mrs. Lawrence Olsen, Mrs. Lloyd Knigge  
Student Refreshments—Miss Jean Kernen, Susan Dorn  
Publicity—Miss Murphy Student Publicity—Miss Chris Vlahakis

Student Decorations—Barbara Harris, Donna Haisma  
Wardrobe—Mrs. Forrest Koencke

Student Wardrobe—Judy Keller  
Donations—Mrs. John Nemeth  
Tickets will go on sale this week. The money earned will be used for scholarships for students at Central High School.

Our democratic system does indeed seek to safeguard and dignify the individual, but its protections are in no way intended to provide a shield for behavior which transgresses the law and tramples the rights of others.

## BOWLING

### ANTIOCH LADIES CLASSIC MONDAY, MARCH 31

High team series: State Bank, 663-744-705-2111.

High scorers: Lois Hartman (State Bank) 156-202-237-595; Pat Helwig 579; Evelyn Erickson 571, June Troyer 564, Madeline Patten 562, Marlene Poulsen 559; Myrtle Sampayo 550; Mary Weinholz 529; Mary Derer 522, Shirley Green 511, Betty Schneider 504, Lu Rogers 500.

High game: Lois Hartman-237, Lorenz Smart Country House 2; Modern Music 1, State Bank 3; T. Gerretsen 0, Bi-State and Antioch Savings & Loan tied, Antioch Lumber 2, Clown Room 1.

### THE PINSTOPPERS FRIDAY, MARCH 28

High team series: Barnstable's 844-813-845-2502.

High scorers: Karen Burdick, 210-150-204-564.

High scorers: Ken Klein, 181-159-184-524.  
Team No. 3 took 3 games from Team No. 2. Team No. 4 took 2 games from Team No. 1.

### WED. NITE BUSINESS MEN APRIL 2

High team series: Lou's Log Cabin, 850-835-943-2628.

High scorers: Bill Yucus, 217-212-163-507.  
M&M Food 2; Active Specialty

## Set Lessons For Salmon Fishermen

The Chicago Park District is sponsoring clinics for coho fishermen beginning April 21. Directing the clinics will be Bill Cullerton, internationally famous sport fisherman and member of the Fishing Hall of Fame, and Ralph Brown, former Illinois State Champion Tournament angler.

These classes are being held in preparation for the Coho Fishing Derby on April 26 and 27 at Montrose Beach Pier, also sponsored by the Chicago Park District. The program will be held in the gymnasium of various parks and will consist of instruction in pier fishing, proper tackle, safety procedures and boatmanship. In Mr. Cullerton's words, "These clinics and the derby are for the land bound fisherman who has only been able to go after perch and smelt. We're going to show them how to catch coho."

The time for all the clinics will be from 7:00 p.m. to 10:00 p.m. at the following locations:

April 21—Columbus Park, 500 S. Central Avenue

April 22—Mt. Greenwood Park, 3711 W. 111th Street

April 23—Lake Shore Park, 808 N. Lake Shore Drive

April 24—Margate Park, 4931 Marine Drive.

## IRA Modifieds Slates Heavy Race Program

The Interstate Racing Association of super-fast modifieds will open its 1969 season at the Kenosha County Speedway at Wilmette, Wis., Saturday, May 24.

IRA President Ray Toft met with the Kenosha County Fair Officials and largely because of the success of this group in its initial year of operations during 1968, an expanded schedule has been approved.

In May, following the opening

## Army Officers School Offers Rugged Training

Last year, 8,266 college graduates entered the United States Army with the intention of becoming officers. Equipped with college diplomas and all the benefits an affluent society could provide, they were an impressive group.

Most of these young men were successful in their search for a commission or are in the final stages of training to receive their gold bars. In classes with them were a group of high school graduates who had been selected carefully for intelligence and potential leadership qualities from the ranks of regular soldiers.

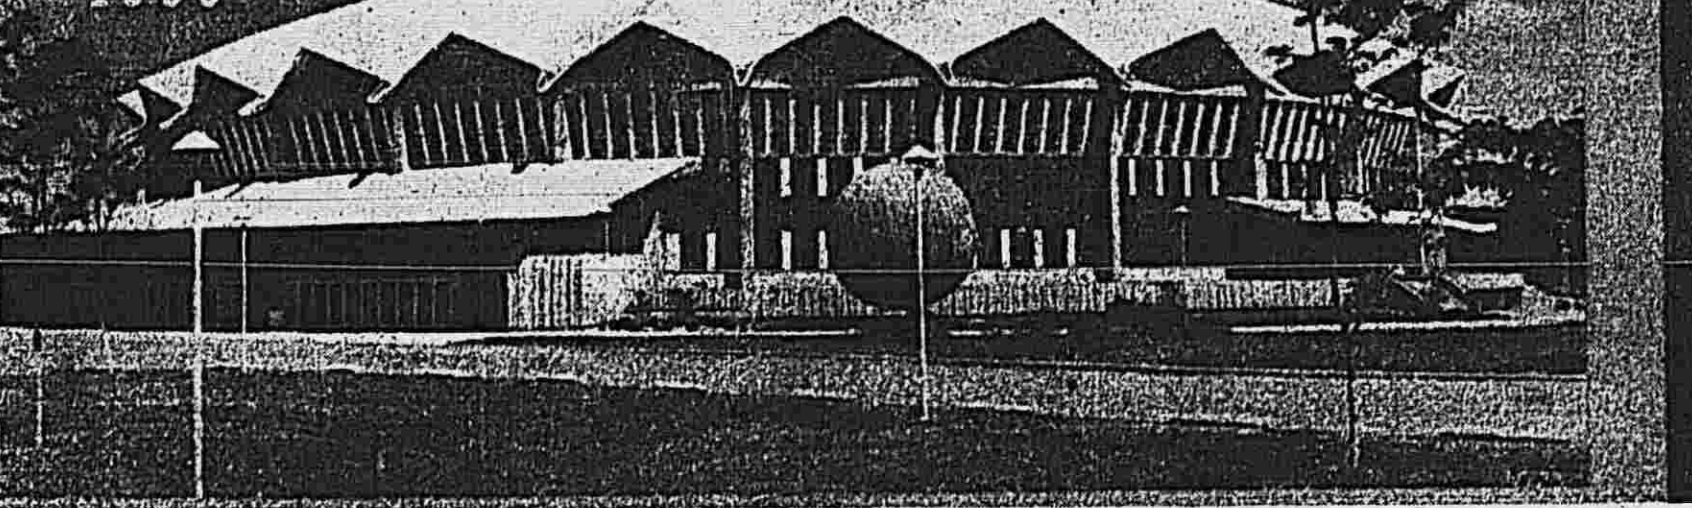

Make no mistake about the difficulty of the course they completed. It was designed by experts to measure them as men who were destined to lead other

## AMERICAN BOWLING CONGRESS CHAMPIONSHIPS

MADISON, WISCONSIN

1969

ANTIOCH BOWLING LANES TEAM would like to forget about the team event, but in the singles and doubles all fared well. From left to right, Mickey Harr, Gino Pecchetti, Glenn Jobey, Roger Stratton, Marty Padjen, and Joe Sterbenz.

on the 24th, the modifieds will return on Thursday night, May 29, for the Second Annual Memorial Day Eve Modified Classic. In addition, the modifieds will also be in action on July 3 and for the Thursday night opening of the Fair and again on the Saturday night Fair date.

In addition to the heavy schedule at Wilmette, the IRA modifieds will be in action on Friday nights starting June 13 at the Rockford Speedway and on Sunday nights at the Lake Geneva Speed Center.

Prior to Wilmette's Saturday night opening, they will race Saturday nights at the Lake Geneva Speed Center starting April 12. The spectator class of full fender stock cars will again join the action in bonus events on Saturday nights at Wilmette.

## Youth Baseball Registration Deadline Set

Antioch area youngsters who want to participate in the Little League or Babe Ruth League programs this year are reminded that the deadline for registering is Saturday, April 12.

Registrations will be taken

from 9 a.m. to 12 noon and from 1 p.m. to 4 p.m. at the Scout House on Main St.

A registration fee of \$4 for Little League boys ages 8 through 12 and \$5 for Babe Ruth Leaguers ages 12 through 15 must be paid at the time of registration.

An expanded program is planned for this summer with the largest number of boys ever to compete in the youth leagues taking part.

## Wrestling Citation To Craig Patterson

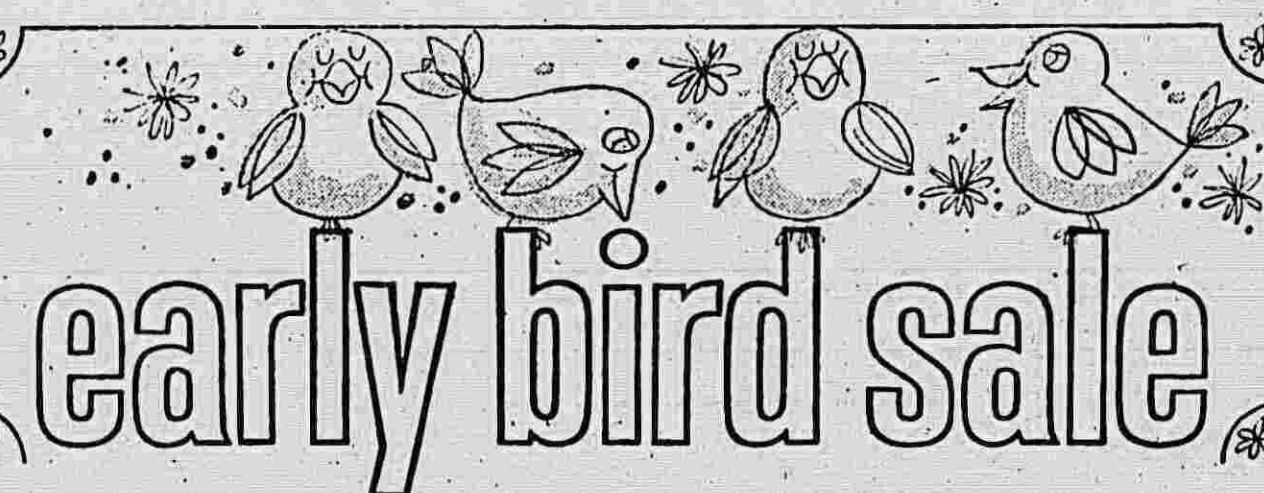

Craig Patterson, a Monmouth College freshman from Antioch, recently received a Wee Scot citation for his participation on the Monmouth College freshman wrestling team.

Craig is the son of Mrs. Anita Patterson of R. R. 3, Box 683.

It's easy to place a classification—Just dial 395-4111.

# Ogilvie's Tax Program Outlined For Taxpayer

Here is Gov. Ogilvie's "no loopholes" four per cent income tax proposal in brief:

It would apply at the same flat rate to corporation profits and all income of individuals, including capital gains, dividends, and all interest, including interest on state and local bonds.

The only exemptions permitted would be \$1000 for each family member, and double this figure for the aged or blind.

There would be no other exemptions or deductions, such as those permitted by the federal income tax, Ogilvie said, to prevent "undue advantage to the wealthy," and to make the state tax easier to administer and collect.

A flat rate tax can be established as constitutional, Ogilvie said, while a graduated tax could not.

The governor declared that the proposed tax is constitutional, collectible and fair, has a major potential for growth as incomes rise, and will not impair the economic structure of Illinois.

Illinois is now furnishing what amounts to a subsidy to the 38 states with an income tax, he said, because taxpayers who itemize deductions can subtract state tax from their gross income, in calculating their federal income tax.

This reduces their federal tax bills, while Illinois residents pay in full, Ogilvie said.

Spending \$4.4 billion, up \$1,377 million. Includes:

- \$500 per pupil school support level, and other adjustments.
- \$135 million new shared revenue for local government.
- \$32 million for parochial and private schools.
- \$14 million for private colleges.
- \$50 million for more competitive state salaries.
- \$97 million additional for education.
- \$37 million additional for roads.
- \$137 million additional for welfare.

TAXES Increased by \$1.18 million, balance from existing taxes.

- No increase in sales tax.
- 4 per cent flat income tax on persons and businesses.
- 12 cents a pack tax on cigarettes, and 20 per cent on cigars and tobacco.
- One-third increase in beer, wine, and whiskey taxes.
- 5 per cent on rented vehicles, equipment.
- 5 per cent on repairs, haircuts, admissions, dry cleaning, etc.
- 5 per cent on hotel room bills.

## 4-H Horse Clubs Growing In Number

It looks as though the horse is out-staging the automobile and boat in the American family recreation scene. While no accurate count is available, the number of pleasure horses from Maine to California has been estimated from 5 to 7 million.

The last U. S. Horse census made in 1959 showed nearly 3 million horses and mules, mostly on farms. The greatest increase today is around the major population centers of the U. S.

The 4-H Clubs have been one of the most enthusiastic boosters of the pleasure horse. Recent horse shows and fairs have featured 4-H owners and riders who have claimed their share of honors and trophies.

The national 4-H Horse program last year headed the list for enrollment increase in 32 major 4-H award programs supervised by the Cooperative Extension Service. The horse program gained more than 19,000 new members bringing the 1966 total to 165,000. Current participation is expected to bring the 1967 enrollment to well over 180,000 according to 4-H leaders.

The young 4-H equestrians learn much more than to mount and ride. They learn to recognize horse color and markings;

## Three Boys Graduate To Scouts

The Grass Lake Cub Scout Pack No. 80 held its monthly meeting March 27. A report was given on the outing to the Shrine Circus, March 14. Tickets for the boys were donated by Shrine Club members.

The theme for March was Indian Lore and it was also graduation day for 3 boys to the Boy Scouts. They were accepted into the organization by Scoutmaster Lee Ipsen.

Jim Okrezesik, the first Cub Scout to complete all 15 Webelos activities, and who had a 100 per cent attendance for the year, was presented with a Boy Scout ring.

Kurt Flint and Bill Manning were also awarded honors for graduating to the Boy Scouts.

Regular awards were made to the boys in each of the dens and the Webelos. An Indian display made by the Cubs is on display in the lobby of Grass Lake School.

## Double Check Tax Return Before Mailing

CHICAGO — After your 1966 Federal income tax return is filled out, it is a good idea to set it aside for a day or so and then

how to judge horses; to select proper tack and equipment and keep it in good condition. Horse science projects cover anatomy, nutrition, disease and reproduction. Members are coached in show ring performance and responsibility for the horse.

County extension agents, local club leaders, veterinarians, professional horse handlers and animal scientists work with the youngsters.

For more information about the 4-H Horse Project, or other 4-H projects, call Dave Smith, assistant extension adviser, Agriculture.

## Donations To Rescue Squad

Recent donors to the Antioch Lions Club Rescue Squad Fund include:

- Mr. and Mrs. Henry Collins, in memory of Theresa Zittman.
- Mr. and Mrs. Ivar Ekstrom, in memory of Alma Swanson.
- Bob and Peg Webb, King's Drug Store, in memory of Susan Bucar.

- State Bank of Antioch employees, in memory of Preston Reck-

give it a thorough review before mailing it.

E. C. Coyle, Jr., Chicago's District Director of Internal Revenue, said that persons who followed this advice often find income or deductions they omitted or errors in arithmetic.

A review of the return may disclose that the Social Security number was omitted or listed incorrectly, copies of all W-2's are not attached, the return is not signed, or the address or zip code is missing.

This review is time well spent as it may prevent delays in processing the return and speed up any refund due, Coyle said.

## Heart Fund Nears Goal

The Heart Fund goal for the Antioch area is \$1000, and Mrs. W. C. Petty reports that \$850 has been collected to date. There will be no door to door campaign.

Donations may be left at the State Bank of Antioch or given to any of the Committee members, Mrs. W. C. Petty, Dr. J. W. Kopriwa or William Brook.

There is only one thing left that will give you more for your money than it did 10 years ago—the penny scale at the corner drug store.

Mr. and Mrs. Joe Horton, Antioch, nettes, Fields, Neighbors and Friends of Antioch Hills, in memory of Albert Pedersen.

Mr. and Mrs. R. Ohlgren, Ann Olstad, in memory of Elizabeth Doty.

Lake Villa Ladies Auxiliary of V.F.W. 4308, in memory of William Barnstable.

Everett Queen, Mae Drijfo, Bowles Sub. Assoc., Lester W. Waters, Wedgewood Imp. Assn., Mary Lou Benigno, Mr. and Mrs. D. Maras, Mr. and Mrs. George Grunow, Gordon Wells, Jr., Mr. and Mrs. T. J. Daley, John J. Moyer, Mrs. R. C. Lynn, Mr. and Mrs. Joseph J. Hulko, Mr. and Mrs. Kenneth J. Albright.

Emilie C. Olsen, Ted Ozgo, Charles Paddock Family, Alma Bobzien, Mr. and Mrs. Ed Kominski, Mr. and Mrs. Robert L. Griffin, Henry & Caroline Kubi-

ski, Mr. and Mrs. Frank Ehrhardt, Rosalind Keating, Leo & Irene Bednar, Eleanor and Ann Johnson, Bluff Lake Lodge, Inc.,

Rock Lake Highlands Assn., Inc., Mr. & Mrs. Lewis Gardner, Ruth V. Sheehan, Henry J. Kopecky, Lake Marie Fishing & Boating.

Recent donors to the Antioch Lions Club Rescue Squad Fund include:

Troop 92 Boy Scouts of America, in memory of Roy Hamel, Sr.

Troop 92 Boy Scouts of America, in memory of Richard Stafeldt.

William Brook, in memory of Albert Sprenger.

Margaret Gaston, in memory of Nason E. Sibley and Deedie Tiffany.

Mr. and Mrs. Edward Kugle, Mr. and Mrs. Joseph Volla, Mr. and Mrs. Frank Vendl, Mr. and Mrs. C. Held, in memory of Anna Sevic.

Mr. and Mrs. Laddie Massek, Mrs. Josephine Skelton, Mr. and Mrs. William Drews, in memory of Theresa Zittman.

Tuesday Nite Bridge Club, in memory of Russell Calloway.

Finishing Dept. of Regal China, in memory of Catherine DeKlyen.

... Sammy and Sally did with their Savings Account

### ANTIOCH SAVINGS & LOAN

425 LAKE ST. 395-3030 ANTIOCH, ILL.

## MERCHANTS CLEAN UP WHEN THEY ADVERTISE IN OUR NEWSPAPER

Because it takes them into more homes in our town and their ads are seen by more people who enjoy reading a good newspaper.

Knowledgeable merchants know the most likely people to become customers are those who have already decided to buy. They know that these people will read the ads before they decide "from whom" they will buy. By advertising in our newspaper, we guarantee you will reach those who are the most prospective customers in this area, and make more sales.

# What kind of investment is Freedom Shares?

☐ Shrewd? ☐ Safe? ☐ Patriotic? ☐ Exclusive?

You're right if you checked all four boxes.

Freedom Shares are a **shrewd** investment because they pay **4.74%** when held to maturity. They mature in just four-and-a-half years, and are redeemable after one year.

There is no safer investment because Freedom Shares are backed by The United States of America.

Exclusive? Absolutely. Not everyone can buy new Freedom Shares. You have to belong to the Bond-a-Month or Payroll Savings Plan. Freedom Shares are a *bonus opportunity* for these regular Bond buyers.

And, as you help yourself by buying Freedom Shares, you're also helping your country. Sign up for Freedom. Get all the facts from the payroll people where you work or any officer where you bank.

U.S. Savings Bonds,  
**New Freedom Shares**

Antioch Township Highway Commissioner  
April 10, 1969

Clown fish are interesting little creatures drolly costumed in orange, black and white. They make their home inside a creature known as the giant sea anemone, which looks like a plant but is actually an animal with poisonous tentacles. The clown fish share their food with the anemone in an exchange for the safe shelter it affords them.
